Introduction

The CTHS is pleased to provide the Annual Statistical Review for the 2021 calendar year.

We would like to acknowledge that 2021 was another challenging year for all those involved in the industry and applaud your strength and passion to persevere. The challenges created by the Global Pandemic resonated through the world and the Thoroughbred industry beginning in 2020 and continuing through today. However, if you view the results of 2021 based off our expectations going into the year you would have to conclude that our resilient industry exceeded our expectations. The Thoroughbred industry continues to bounce back from the pandemic created challenges of 2020 with the result being less pronounced in Canada than in the United States.

Ever since its establishment in 1906, the CTHS, with uncompromising integrity have committed to assist and afford a means for the promotion of the interests of those engaged in the breeding of Thoroughbreds in Canada. The CTHS aims to ensure a viable future for its members by providing assistance and representation within the Thoroughbred Breeding Industry.

The publication of the statistical review is in keeping with our commitment to compile and disseminate information to members and also acts as a resource to strengthen our engagement with our stakeholders.

When reviewing the wealth of data included in this publication it is a clear testament to the Horse Industry's strength and passion that we continue to see the successes of our Canadian Breeders, Canadian Sires and Canadian-Bred's both nationally and internationally.

We are a strong and vital organization focused on being your go-to industry resource. Your dedicated Directors and Staff make this all possible.

We are all in this together and the CTHS remains committed to our Breeders and the Industry and wish everyone all the best for 2022.

Canadian Sales Stakes Series Eligibility:

Once all the Provincial Sales Stakes Eligibility has been met the following conditions apply:

1. **Out-of-Province Nominations** – Nomination to an out of Province Sales Stakes (not in the Province where the Yearling sold) will be the responsibility of the owners who will pay \$750 to nominate, \$750 to enter and \$1,000 to start. Note that in Ontario the difference between the listed nomination, entry and starting fee charged by WEG and the nomination, entry and starting fees charged per the above will be paid directly to the CTHS Ontario Division at the time of nomination. In addition, in the event that races are over subscribed, preference will be given to horses that passed through the Sale in the jurisdiction in which the Sales Stakes is being held. For example, CTHS Ontario Division Sales Graduates will have preference for the Sales Stakes races in Ontario.
2. **Implementation** – Canadian-Bred Yearlings passing through the CTHS Yearling Sales in 2018 and forward that meet the eligibility requirements above will be eligible to the Canadian Sales Stakes Series. The inclusion of Ontario commencing in 2018 does not affect the eligibility of Sales Graduates from previous years who will remain eligible for the Western Canadian Sales Stakes Series.
For clarity, Sales Graduates from previous years who are eligible for the Western Sales Stakes Series are not eligible for the Sales Stakes in Ontario.
3. **Sales Stakes Dates** – Where possible, the CTHS Provincial Offices will work collaboratively to attempt to schedule the Sales Stakes in each Province so that we can eventually create a Series that allows owners to participate in the Sales Stakes in multiple Provinces.

NOTE 1: Sales Stakes Offered & Sales Stakes eligibility is determined by the Provincial CTHS offices and is subject to change at their direction.

NOTE 2: Canadian Sales Stakes Series Eligibility is determined by an agreement between all Provincial CTHS Boards and is subject to change at their discretion.

President's Report

These have not been the most pleasant of times for the thoroughbred racing industry in British Columbia.

We lost two of our exceptional leaders within a month with the passing of Glen Todd on March 27, 2022 and Dave Bennington on April 23, 2022.

Both of these gentlemen dedicated their lives to horse racing at all levels and it will take a firm effort by so many to follow in their footsteps.

With the passing of Dave Bennington, I have been designated Interim President of CTHS-BC and I must admit I am still trying to wrap my head around being in this position. Dave was named President in October, 2021 after serving on the CTHS-BC Board of Directors since 2018 as Vice President and Finance Chair.

In the aftermath of two consecutive COVID-disrupted racing seasons, we now welcome the 45-day racing calendar at Hastings Racecourse that runs from May 7 through October 16, 2022.

Included on the schedule are the CTHS Sales Stakes on August 22.

With new Breeder incentive programs in place, we are confident our annual Yearling & Mixed Sale in September will rebound with encouraging results.

The spotlight is shining on the importance of BC Breeders contributing to the future of racing at Hastings Racecourse.

And watching over us, no doubt, will be my dear, departed friend Dave Bennington.

Sincerely,

Dairen Edwards
Interim President
CTHS British Columbia Division

President's Report

2021 presented a number of challenges to the goals and objectives of the Board of Directors of the CTHS (Alberta Division). COVID-19 continued to create issues that resulted in financial and other stresses within the Alberta Thoroughbred industry. Supply chain issues coupled with extreme drought in most areas in Alberta continue to create challenges for our members. However, we are looking forward to 2022 with incredible optimism. Increased funding plus a renewed spirit of cooperation between the racetracks and horseman groups provide an opportunity for growing all facets of the industry in 2022.

The highlights of 2021 are as follows:

Breed Improvement:

- Racing continued to enjoy the ongoing increase in our slot percentage takeout from 40% to 50% which became effective in June 2020. The stronger financial position as an industry should, post-COVID, result in an additional \$10M annually flowing to Alberta Horsemen.
- The 2021 Breed Improvement Program had Owners share in \$240,232 for Alberta breds placing win, place or show in all races at or above a minimum of \$6,250 claiming price and a minimum of \$7,000 purse. This continues to be a program that works to reward quality Alberta breds who perform at the highest level of racing.
- Breeders received \$340,233 or a supplement of 16% for Alberta breds placing win, place and show in sanctioned races having a minimum \$7,000 purse and where entered at or above a minimum \$6,250 claiming price.
- In total the 2021 Alberta Breed Improvement Program delivered to owners, breeders and stallion owners a total of \$1,245,465.00
- Century Mile Racetrack and Casino opened on May 21st with the 2021 Race meet ending on October 30th.

O.T.T.B.:

- CTHS (Alberta Division) continues to be involved in The Jockey Club T.I.P. program and sponsors an award for the Alberta-bred or Residing T.I.P. Performance Award.

2021 Alberta Sale:

- The 2021 CTHS sale was held at Westerner Park Agricentre in Red Deer. For the second time, the CTHS partnered with the AQHRA which held their sale directly after the CTHS sale.
- The 2021 Sale Catalogue had 56 entries which was the smallest catalogue in recent memory. Forty-eight of those were yearlings. At sale time 46 yearlings went through the ring.
- For the second year, the CTHS (Alberta Division) sale had DLMS provide livestreaming and online purchasing. Although, Three yearlings were sold online for a total of \$30,000 a larger number of yearlings benefitted from the robust activity of our online bidders. Online purchasing appears to be a service that we will continue to offer to our consignors and purchasers as it exposes our sale horses to a broader base of potential buyers.
- The CTHS sales website was updated so that photos and videos of sales horses could be uploaded and available for prospective purchasers to view. After the sale, the sales page continued to host Thoroughbreds that were available for sale with the purchaser being able to contact the consignor directly.
- The sale average for 2021 was \$10,962.00 up from the 2020 average of \$8,394.00 Gross sales of yearlings was \$405,600 (\$327,400 in 2020). The sales median was \$9,500 which was up from the 2020 median of \$4,500.
- The 2021 sale topper was a Value Plus gelding out of Holiday Maker and went for \$32,000. It was consigned by C.W. Matier.

Other:

- Alberta shows 130 Mares Bred for 2021 however the Jockey Club report includes only 12 of 36 stallions standing in Alberta.
- Racing was only held at the Century Mile Racetrack and Casino in 2021 in the Edmonton area. It is hoped that racing will return to Century Downs Racetrack and Casino in the Calgary area in 2023.
- Night of Champions, celebrating the 2020 Champions of Racing was not held in person due to COVID-19 concerns. A livestream event was hosted online instead and celebrated the 2020 and 2019 winners.

In Closing:

The CTHS will continue to be a leader in the industry and an advocate for the industry as the Board works to fulfil their mandate.

Sincerely,

Adrian Munro
CTHS (Alberta Division)
President

Thoroughbred Breeders faced a second consecutive challenging year, shortened race meets and restrictive attendance to both races and sales. The economic strain on breeders and the industry were colossal, but breeders should be commended on their dedication and perseverance to their passion of thoroughbred breeding and racing.

The CTHS has settled into their new offices at Woodbine Racetrack. We were able to hold our 2021 horse sales at the Sales Pavilion and have secured 2022 Sales dates. We would like to acknowledge and thank Jim Lawson and his Woodbine team, for recognizing the importance and need of the Ontario breeders and sales, as a vital component and partner to the Ontario horse industry.

The importance of breeding and the breeder is signified and recognized by being the catalyst of many Provincial government support programs. Developing programs with tangible growth and impact requires years of implementation, any industry instability or unfavorable decisions can undermine any gains and intent while discouraging local breeders. Accordingly, from 2017-2020 there has been a decline of 25% of Ontario-sired foals. Local breeders need more restrictive programs and racing to increase yearling sale prices and demand, which will incentivize more participation and new participants, creating improved bloodstock and at the same time assisting the Ontario horse population, as government funding was intended. Local breeders and owners support the 175 days of thoroughbred racing in Ontario, with the declining In-province starters yearly, N. American horse shortages, this directly correlates to a future of less Ontario racing opportunities and further contraction of the Ontario industry. The growth of our industry requires a collective approach with all stakeholders. The stability and growth of the industry is attained by a vibrant breeding industry, the production sector.

The 2022 Ontario Thoroughbred Improvement Program (TIP) has budgeted approximately \$18M in funding. This lucrative Ontario incentive program has \$7+M allocated towards breeder programs and \$10+M allocated towards owner programs. These breeding and ownership incentives should assist in the stability and future growth of the Ontario thoroughbred industry, reaffirming the CTHS(ONT) philosophy it pays to Breed, Buy & Race in Ontario!

In 2021 Sports Betting legislation has been passed in Canada, C-218. The Canadian government has created a substantial opportunity for the Canadian economy which includes an amendment for the protection of the horse racing industry. The intent in the future is a new and much needed industry revenue stream. Woodbine had its 3rd highest season handle in 2021 despite a 30% reduction in race dates because of COVID. The 2021 season topped \$500 million in all sources handle.

The last 2 years our June Annual General Meeting had to be held virtually and Awards Dinner Galas have been cancelled. The CTHS(ONT) Board of Directors elected to commemorate excellence in horse breeding for the years 2019 & 2020 with a Tribute and Resource Book. This book was distributed to each member, highlights include a membership directory, Breeder of the years 2019- Tall Oaks Farm & 2020 L.P. Cordes, MInt Julep Cup winners 2019-Charles Fipke & 2020 Ivan Dalos. This Tribute Book would not be possible without the generous support of sponsors. Congratulations are also due for

TOBA's Breeder of the year in 2020- Tall Oaks Farm & TOBA's Canadian Breeder of the Year of 20 or fewer starters in 2020-L.P. Cordes.

The 2021 Canadian Premier Yearling Sale saw a 12.5% gross increase in Toronto, selling 159 yearlings for \$3,184,400. The average increased to \$20,028. There were 5 yearlings selling for over \$100,000 compared to none in 2020. We are thankful to all our Breeders, Consignors, loyal supporters and new purchasers at the Canadian Premier Yearling Sale. We were able to host a live Winter Mixed Sale in October where 61 horses sold for gross sales of \$259,350, a slight decrease in average from 2019. It still recognizes the confidence that it still pays to Breed, Buy and race in Ontario.

The CTHS Ontario Division would like to congratulate all horses foaled in Ontario, their breeders and owners for their successes in the 2021 racing season. Special congratulations go out to the Entourage Stable for Pink Lloyd, as one of Canada's greatest sprinters and racehorses. Bred by John Carey, Pink Lloyd an Ontario Sired Old Forester won 29 races and 26 Stakes, Canadian Horse of the year in 2017 and Canadian Sprinter of the year 5 years in succession to his retirement, an achievement that probably will never be repeated! He has been retired to LongRun Thoroughbred Retirement Society's farm.

Congratulations to Top Canadian Sires 1st Silent Name. 2nd Souper Speedy. 3rd Old Forester. With the leading Freshman Sire being Passion For Action.

I would like to extend my condolences to Breeders families and recognize those who have passed away during 2021. They will be missed and remembered.

Your Board remains dedicated to ensuring a viable future for our members and serving as a voice in Ontario for Thoroughbred Breeders. I would like to thank the Directors and employees, along with members who contributed hours of work, ideas and views to the CTHS(ONT), assisting with the decision making for the benefit and success for the Breeders of Ontario.

I wish your families, employees, friends and horses all the best in health and success in the foaling, breeding, sale season and racing for 2022.

Greeting from the Saskatchewan C.T.H.S.

With the closure of the only racetrack in Saskatchewan, Marquis Downs, it not only discontinued racing it basically shut the barn door of our breeding industry.

The sport of racing and its spinoff generates \$37 million in economic activity in our province of Saskatchewan every single year. We were the only province in Canada that never receiving any revenue from various levels of Government which should have funded: Breeders bonuses, Sask-bred/ Sask-sired restricted stakes programs, stallion bonuses, etc. So, in aspect of an unfair playing field with the other provinces, who did have those programs, it was difficult to compete financially with them!

Many of our C.T.H.S. members have chosen to discontinue their breeding sheds: either selling out, giving away their stock, or sending their once prized well bred horses to slaughter, with the shortage and high-priced feed for the horses, breeders had no choice but to end the industry of which they loved. The remaining C.T.H.S. breeders have chosen to foal outside the province enabling the resulting foals to be eligible for that province eg. breeders' bonuses, stakes programs, etc.

We regret the news of the passing of our long-time C.T.H.S. board member, Vern/Bob Dyck, he was the most devoted member, never missing a meeting and always had the information asked of him. His knowledge of bloodlines and special nicks in the breeding sheds was always welcomed by our members when in doubt if we should cross a certain mare to a certain stallion. He spoke often of his top homebreds, Rock n Romance & Top Stage Dancer, but also was so proud of his other homebreds that he had sold to other people making sure he was in the winner's circle for the presentation, also never missing the races in which they were entered. Deepest sympathy to his wife, Diane and family, he will be missed! May he rest in Peace!

Our Saskatchewan-breds are continuing to compete outside Saskatchewan, last year there were many winners which support our views that we can successfully race outside our Province and provide the owners a good share of the winning purses, to date there should be over 20+ horses going to other tracks to race, not only helping us with a place to race, but helping other tracks fill their races!

Regards,

Rose Backlund
President
Saskatchewan Division
