REPOSITORY

2026 NATIONAL DIGITAL MIXED SALE
APPLICATION FOR READING VETERINARIANS

RULES FOR VIEWING RADIOGRAPHS

1. Each veterinarian desiring to inspect radiographs on behalf of their client, must register with the CTHS by completing and submitting this form.
2. Once submitted, the username and password provided will be activated for the current sale only. Veterinarians are required to register with the CTHS for each sale.
3. The username and password will allow veterinarians to view radiographs remotely via the Asteris website at https://keystone.asteris.com/#/login.
4. **The username and password are for single users only. Veterinarians are prohibited from sharing their username and password with anyone else (including interns and externs) regardless if they are registered users or not.**
5. For security purposes, the Repository software has tracking capabilities for the protection of the integrity of the Repository process.
6. **No person may remove, copy or reproduce the radiographs from the Repository.**
