

Y6 SATs Results & Y4 MTC Results Over Time: 2025 Update

It is a National requirement for all schools to publish their results for English and Maths. 'Expected' is the new term for those children that meet the requirements of the Key Stage 2 curriculum.

The Staff and Local Governing Body are extremely proud of our children and all their many achievements both academic and otherwise. We are proud to share the cohort's results continue to achieve broadly in line with national, or above in many cases (such as Y4 MTC and pupils working at Greater Depth Standard in Y6). A very well done to the staff, children and their families for their collective efforts during the children's time at Ely St Mary's Junior School.

Our results for achieving the expected standard were as follows:
