

COASTAL CARE

EQUIPMENT

An Ultimate Uptime solution featuring John Deere WorkSight™

Do you want to have worry free ownership?

It's easy to safeguard your new equipment with packages designed to keep you working while we handle the uptime.

BASE

- 12 month full machine warranty on new John Deere & Hitachi equipment
- Pre-delivery set-up and follow up inspection
- 3 years of John Deere WorkSight, including:
 - JDLink/ZXLink Ultimate telematics subscription
 - Machine-health prognostics
 - Remote diagnostics and programing capability†

PREMIUM

Everything in the Base Package, plus:

- First factory recommended oil change with oil sampling
- Remote diagnostics and programing fee waived during 12 month full machine warranty† (\$125 per occurrence)
- Travel time and mileage fee waived for repairs covered by full machine warranty (up to 12 months or the remaining full warranty)
- Customizable SECURE Extended Warranty
- Customizable preventative maintenance agreement

PREMIUM PLUS

Everything in the Base & Premium Packages, plus:

- Your choice of customized uptime services††
- Customizable total maintenance and repair agreement
- Up to five year subscription to JDLink/ZXLink Ultimate telematics service

† Fees may apply if remote diagnostics are utilized, although this is significantly less costly than a technician visit to the jobsite.

†† All Coastal Care solutions can be customized to your needs. Ask your representative for details.
