January/February 2026

Good Morning,

Well the holidays are almost over. I do not know about you but I am about give out. We have had family over as well as family from out of town, plus Duronda is getting over her surgery. Thanks for all the prayers, calls, and messages during her time of surgery and recovery. We praise God for the report we received and we know it was because of all the people praying. We had people across the state and nation as well as around the world. God is good! She is doing well with her recovery and is back in the office part time so continue to pray for her.

I hope you are getting ready for the **Lead Well Ministry Lab** to be held on January 10. I am excited that the state convention has set up this training in our area. This is for all of our churches. There is no cost to you as the association is paying the fee. Get your folks ready and registered (by calling the office) for this time of training. Notices have been sent out to our pastors and Bro. Steve Scoggins will be leading a conference for them. This is the first of three conferences to be held in our area so we need to support this effort. If you have any questions just give us a call.

Next on our agenda is our **Children's Mission Day** on February 21. This will be held at Ranger Baptist Church. It is always a fun time for the children to learn about missions and get excited about what God is doing around the world. The event is free, but we must have people to register in order to provide food and materials. Any Questions? Call Duronda at 828-837-5401 for more info.

Well that is about all I have so I had better close for now. May God continue to bless you!

Bro. Al

**Sanctity of Human Life Sunday:
January 18**

The sanctity of every human life is one of the
most important truths we can teach the chil-
dren in our care. What does it look like prac-
tically to create a culture of life within a fami-
ly?

- Practice gentleness with babies and re-
spect for the elderly. Cast a vision for
your family as protectors of the weak.
- Connect with your local pregnancy re-
source center (PRC). Ask for a tour, and
bring the whole family.
- Memorize Scripture that points to the
sanctity of life. Psalm 139 is a great place
to start.

I praise you, for I am fearfully and wonderful-
ly made. Wonderful are your works; my soul
knows it very well. Psalm 139:14
