Theller Funeral & Cremation Service recognizes that our pets are cherished members of our families. They ask so little of us but give us so much more in return. We offer the peace of mind by knowing that our pet cremation services are all provided individually.

~Dogs are small rays of light caught on Earth for a short time to brighten our days~

Pet Cremation Service

We know and understand the important place our fur-friends hold in our hearts. We have experienced the laughter, love and joy that they have brought into our lives throughout the years.

That look when Wally knows he's not supposed to be on the couch but he hopes we'll let him stay there anyway!

Included in Our Services

- Private/Individual Cremation
- Wood Urn
- Fur Clipping
- Ink Paw Print
