

# UPCOMING SOCIAL OUTINGS BLACKTOWN

July - Sept 2025

Dear Clients,

## Changes Coming to Your Aged Care Services - Commonwealth Home Support Program

*Supporting you through every step – from 1 July 2025*

As we have been communicating over several months, there are significant changes occurring in aged care. Many of the changes have been legislated under the **Aged Care Act 2024**, which comes into effect for our services from **1 July 2025**. These changes are happening across the whole aged care system in Australia, and we're here to help make the transition as smooth and simple as possible for you. These changes affect all services provided under the Commonwealth Home Support Program (CHSP)

### CHSP Service Agreements

All CHSP services require a signed Service Agreement on file for you.

We'll be sending these agreements out in the **first week of August**, and kindly ask that they be signed and returned **by the end of August**.

We understand this may feel like a lot, but please know we're here to support you. You can give us a call anytime if you have questions or would like help going through it.

To avoid any interruption to your services, please return your signed agreement before **1 October 2025**.

### Changes to CHSP Financial Contributions

As we have communication, the CHSP program is not fully funded by the Commonwealth Government, and we are required to seek a co-payment from clients for the services delivered. While we remain dedicated to striving to keep costs to a minimum, the reality is that our services need to remain financially viable in order to continue to operate under the changes while maintaining a high standard of service.

The manner in which our CHSP Financial Contribution for services is changing and will include the following:

- A new schedule of Service Financial Contribution Fees will apply from 1 October 2025. This will be included with the Service Agreement that will be mailed out to you.
- All services provided under the CHSP program will need to be paid in full at the time of booking either over the phone or in person at one of our offices. Our Support Workers and Drivers will no longer take payments from September 30th, 2025.
- From 1 October 2025, services provided under CHSP will be charged by the hour or kilometre as indicated on the Service Financial Contribution Fees.

### **Activity Calendars – Choose What Works for You**

To help us reduce paper waste and increased printing and postage cost, you can now choose how you receive your monthly activity calendar:

- **Email delivery** – This is free of charge. If you have an email address or want to provide a family member's email. Please call Client Care to add this to your file.
- **Printed and posted to you** – A \$20 annual fee will be implemented from October 2025, this will cover the cost of printing and postage.

This choice will be included in your Service Agreement and won't come into effect until October 2025.

### **Thank You for Joining Us**

A big thank you to everyone who came to our Community Culture launch event in the Hawkesbury – it was lovely to see you. Sadly, our events in Mount Druitt and the Blue Mountains were cancelled due to bad weather. We hope to see you next time.

If you have any questions once your agreement arrives, please call us.

We are always here to support you.

Warm regards,

*Community Culture Team*
