

UPCOMING SOCIAL OUTINGS HAWKESBURY

July - Sept 2025

Welcome to our autumn social events news,

We hope that you all had an eventful holiday season, and we look forward to seeing you out and about with us, as we see the season change to cooler weather.

In November, close to 60 clients attended our regional Client Advisory Groups. We sincerely appreciate your input and feedback into the planning of our services.

Community Culture – a Peppercorn and Active Care Network Partnership

As we have previously communicated, Active Care Network and Peppercorn Services engaged in a joint partnership in late 2023 with the aim of ensuring our community aged care services are sustainable and responsive under the current Commonwealth aged care sector reforms. The below table provides details of what services each organisation provides and how you access the services.

| | Active Care Network | Peppercorn Services |
|---|--|--|
| What are we funded to provide under the Commonwealth Home Support Program (through My Aged Care)? | Community Transport | Social Support Services Meals Assistance Lawn and Home Maintenance Services Dietetics |
| Which Council areas does the organisation cover? | Hawkesbury Penrith Blue Mountains Blacktown | Hawkesbury Penrith Blue Mountains |
| How to access the services | Ph: 02 4722 3083 | Ph: 02 4504 7022 |

All Commonwealth Home Support Services require a My Aged Care referral code. If you do not have a referral code for the relevant service that you would like to access, please call My Aged Care on 1800 200 422.

Will overnight trips be provided again in the future?

Yes, we are very keen to offer overnight social trips. We are working on a plan to offer these from Spring this year.

Do you want your calendar larger font?

If you would like to receive your calendar in larger font, please contact our client care team on 02 4722 3083 and advise them. They will note this preference on your client file with us.

Are there any further anticipated changes

We're going to be up front and honest, yes there will be. Much of the changes underway are aged care industry wide. We truly value your input into these changes and encourage you to attend your regional Client Advisory Groups as a way of helping us shape the services we provide into the future.
