Discounts are separated by elementary and high school. If you have a child in both of the schools, they are considered a 1st child for tuition rates. Large family discount is not separated by schools. Examples:

- If you have two (2) students in high school and one (1) student in grades TK-8, your tuition would be the 1st and 2nd child rates in high school and the 1st child rate in grades TK-8.
- If you have two (2) students in high school and two (2) students in grades TK-8, your tuition would be the 1st and 2nd child rates in high school, the 1st child rates in TK-8, and 50% off the 1st child rate.
- If you have two (2) students in high school and three (3) students in grades TK-8, your tuition would be the 1st and 2nd child rates in high school, the 1st and 50% of 1st child rates in grades TK-8, and \$600 for the 5th child.

Additional Requirements

- \$500 toward fundraising buying/selling tickets - events to be determined (usually a gala and a raffle).
- 20 hours of parent volunteer time, of which at least 5 hours must go towards our major fundraising events - unfulfilled hours will be billed at \$40 per hour toward the end of the 2024-2025 school year.
- Uniform and Field Trips.
- \$200 High School book fee.

Participation-Optional Items:

- Extended-Care charges (including TK afternoon)
- Hot Lunch Program
- Athletics

Payment Options:

Tuition is due for the full, upcoming year on July 1st, 2023. Since that is a great burden for most families, we offer options to make payments on an interest-free basis. All such payments must be paid through our online payment processing company (FACTS).

1. 12 month period from July 1st through June 1st
2. 10 month period from August 1st through June 1st
3. Semi-annual payments on August 1st and January 1st
4. Quarterly payments on August 1st, November 1st, February 1st, and May 1st

If you are facing financial difficulty and are unable to pay full tuition next year, please complete the financial aid form in FACTS to see if you are eligible for assistance. **Normal deadline for the application is April 30, 2024.** Please note: there has been changes to SJA's financial aid processes, resulting in limited resources for scholarships and need-based assistance. Please apply early if you are facing financial difficulty. There is a \$40 fee paid at the time you submit your Financial Aid application.
