Founded in 1995, Saint Joseph Academy (SJA) is an independent, TK-12, classical school that is faithful to the teachings of the Magisterium of the Roman Catholic Church. We have 350 students, 89 of whom are in the High School. Our mission is to form vibrant young men and women who, committed to live by Catholic principles and follow the personal calling of God in each of their lives, will advance and transform human culture for the sake of the kingdom of God.

The class of 2025 graduated 30 students, and the high school student population ranges from 92-97 students with a faculty student ratio of 1:19. Students come from all over North San Diego County and beyond (some even driving more than an hour each way) to take advantage of our unique offerings. We offer generous need-based financial aid, as well as merit-based scholarships; in addition, 16% of our families utilize our tuition-assistance work-study program. Over 33% of the fulltime faculty hold advanced degrees. SJA is fully accredited by the Western Association of Schools and Colleges (WASC) until 2028 and holds membership with the National Association of Private Catholic and Independent Schools (NAPCIS) and the Institute for Catholic Liberal Education (ICLE). SJA is recognized by the Cardinal Newman Society as an Honor Roll school (2018-2023).
