Mandatory Fees

The following mandatory fees represent the minimum non-declinable services required to facilitate the disposition of a deceased person, whether by cremation or burial.

The minimum service charge is applicable to every family we serve regardless of what services or options are involved in the final arrangements.

Co-ordinating Activities for Funeral Care..... \$800

- Professional consultation with a Class-1 licensed funeral director
- Supervision and co-ordination of all activities, rites and ceremonies, before, during and after they have been provided, including services and supplies provided by us, as well as those provided by third party suppliers such as clergy, cemetery, flowers, death notice
- 24 hour assistance available by phone, with our own staff answering phones directly

Documentation \$230

- Preparation of documents required for the disposition of a deceased person including but not limited to death registration, burial permit, Coroner’s Certificate, ISP notification, CPP Death Benefits, OHIP card return
- Provision of 12 Proof of Death Certificates for the handling of estate matters, sometimes a provincial “Death Certificate” will be necessary and is available from the Office of the Registrar General

Facilities for Preparation/Embalming/Shelter.....\$503

- This includes the facilities used to prepare, embalm or shelter the deceased
- Minimum preparation of remains; body is checked for personal effects (returned to authorized representative, unless otherwise instructed) and placed into the casket selected.

Initial Transportation.....\$369

- Transportation of the deceased from place of death (residence, hospital, nursing home) to the funeral home within 60 km, additional fees apply beyond 60 km at \$2.70/km charged one way only, includes all staff and equipment required

Administration Van OR Hearse.....\$150 - \$348

- This vehicle is required for transportation of the casket from the funeral home or other venue to the crematorium or cemetery. Includes delivery of documents, flowers, equipment to the location of the ceremony, cemetery or family. Additional fees apply beyond 60km at \$2.70 charged one way only.

Casket Selection

For Burial: The least expensive wood/particle board casket is suitable and required by cemeteries' by-laws for interment.

For Cremation: A body must be presented to the crematorium in a rigid leak-proof casket that is made of a combustible material, such as wood or cardboard. Caskets containing non-flammable, hazardous material or chlorinated or fiber-reinforced plastic, other than incidental metal, cannot be used for cremation. We offer a selection of caskets that are suitable for cremation.

The following caskets are those generally available. A wider selection of caskets is available upon request.

Unless otherwise noted all caskets listed are standard adult size. Oversize caskets are available for additional cost.
