

Healing Grace

A Lenten Day of Healing

Grace Church, Old Saybrook
Saturday, March 7, 10:00 AM – 2:00 PM
Led by The Rev. Canon Dr. Ellendale Hoffman

Jesus told his disciples to “*Come with me by yourselves to a quiet place*” (*Mark 6:31, NIV*), encouraging them to rest and retreat from busy times of caring for others. Our Lord often stepped away for quiet times. As followers of Jesus, we also need times of prayer and refreshment, believing that God can bring healing and peace, even during the most challenging of circumstances.

During this season of Lent, we invite you to a day of healing prayer at Grace Church. We begin our day in the parish hall for a time of teaching and reflection, followed by lunch and fellowship. In the afternoon, we continue with conversation and prayer, closing with a Healing Eucharist in the church with worship and laying on of hands for healing.

Lunch is provided by the Grace Church Hospitality Team. For more information you can reach out to Pastor Charlie, or to the Rev. Ellendale. We hope you join us!

Please RSVP by signing up on the bulletin board in the church foyer, or email the church office: [**gracechurcholdsaybrook@gmail.com**](mailto:gracechurcholdsaybrook@gmail.com).
