

## **Lenten Potluck Dinner & Bible Study on Matthew**

**Thursday Evenings from 6-8pm at Grace Church  
on February 26, and March 5, 12, 19 and 26.**

Our Lenten Bible study this year will be led by Chuck Hummel, a parishioner who grew up in a household filled with Bible teachers and theological conversations. Chuck has taught many Bible studies over the years at churches and with friends.

We will be studying five separate passages in Matthew during Lent using an approach called inductive Bible study. “Inductive” thinking means making generalizations based on specific observations. Inductive Bible study is studying Scripture by focusing carefully on the passage together, asking ourselves questions and coming to some conclusions based what we read and discuss: There are three kinds of questions we will be asking: Questions of Observation: Who? What? Where? When? Questions of Interpretation: What did this passage mean to the original audience? Questions of Application: What does this passage mean for me today? This investigative and experiential approach allows the Bible to speak to us and gives us the chance to share what we are hearing and learning.

We will also have potluck dinners each Thursday evening that we gather and we ask that if you are attending, please bring an entrée or side dish. Grace Church will provide dessert and beverages.
