Discussion Questions

1. How do you view Jesus today? How do you think of him? Master? Savior? Servant? King? FRIEND?
2. If you think of Jesus as "friend", what exactly does that mean to you? Is He your buddy that you joke around with, hang out with and generally just "pal" around with?
3. As a "friend" of Jesus what expectations do you think He is looking for you to fulfill? Are you just the recipient of this friendship or is it somehow a two-way relationship?

Note: Luke 14:25-33
