Discussion Questions

1. How do you think the disciples must have felt to have Jesus wash their feet? How must Jesus have felt to wash, even the feet of the one who was about to betray Him?
2. We see Jesus practicing true "Agape Love" for the disciples and even for Judas. What does Agape Love look like in our world today? It may look different than you think.
3. What do you think was going through the minds of the disciples when Jesus said, "This is my body, take and eat, this is my blood of a new covenant, take and drink?"
