

Kinburra Preschool Philosophy

Our Mission

At Kinburra Preschool we aim to provide a safe, nurturing and inclusive learning environment that creates a sense of belonging.

We foster an environment of partnerships with our children, families, parent management committee, educators and the broader community.

Kinburra Preschool is committed to developing educational programs that reflect Belonging, Being and Becoming.

Our Vision

We believe all children should have the best start in life to become:

- Successful life long learners
- Confident and creative individuals
- Active and informed citizens
- Strong and aware of their social, emotional and spiritual wellbeing.
