### Watercolor Ohio 2026 Annual Juried Exhibition September 26-October 30

Thank you for joining us in the Fisher Wall Art Gallery at Marathon Center for the Performing Arts. The performing arts have always had a home here, and visual art deserves nothing less. Great painting sharpens how we see, deepens what we feel, and belongs in every community that calls itself a home for the arts. This exhibition brings together some of the finest work in watercolor and other water-soluble mediums being made in Ohio today. Supporting these painters keeps that talent close, gives it room to grow, and reminds us that a thriving arts scene needs every medium represented. MCPA is honored to give this work a stage. We hope you enjoy your visit and this outstanding exhibit.

### Message from the Exhibition Chair

We are very grateful to The Marathon Center for the Performing Arts (MCPA) in Findlay for hosting the OWS exhibition with limited notice after the original site—Lourdes University in Sylvania—closed its doors only months before the scheduled opening.

In order that Watercolor Ohio 2026 could be displayed at the MCPA, we owe a special thanks also to six Ohio women artists—Robie Benve, Bev Goldie, Janet Grissom, Dawn Petrill, Gale Suver, and OWS member Jennifer Sowders—who agreed to shorten the duration of their exhibition, DIVERscape, which explored the beauty and complexity of the natural landscape through richly textured artistic expression.

The staff of the MCPA has been equally accommodating and helpful. Executive Director Heather Clow and Curator Valerie Escobedo set up the exhibition and worked with us to

## Juror's Biography

Ratindra Das is an award-winning artist whose journey into fine art grew steadily alongside a successful career in architecture. While working full-time, he studied painting at the American Academy of Art in Chicago, eventually turning his full energy toward the expressive world of watercolor—a medium that allowed intuition and atmosphere to take center stage.

He is a Dolphin Fellow of the American Watercolor Society, more recently a Gold Master in National Watercolor Society, a Distinguished Master in Transparent Watercolor Society, holds a Master Membership in San Diego Watercolor Society and Watercolor West. He is a member Emeritus of the American Institute of Architects. His paintings have received national recognition and have been featured in prestigious exhibitions, including the 1st Shanghai Zhujiajiao International Watercolor Biennial, the International Watermedia Masters, and the Taiwan World Watercolor Competition. He is an honorary member of the Jiangsu Watercolor Research Institute in China. He has published two books, *Watercolor with an Eye for Design* and *Watercolor Beyond Obvious Reality - A Workshop in a Book*. He regularly serves as a juror for national exhibitions—including the American Watercolor Society—and has conducted workshops and demonstrations throughout the U.S., Mexico, Canada, Italy, Singapore, and China. Whether standing before a class or a blank sheet of paper, he believes in painting not just what we see—but what we feel.

## Juror's Statement

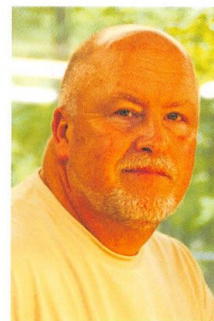

It is an honor to serve as the juror of selection and awards for the 2026 Ohio Watercolor Society exhibition. The experience has been both humbling and rewarding. This year's entries reflected the strength and vitality of watercolor, offering diverse themes, unique artistic voices, and expressive use of the medium. After carefully reviewing the submissions many times, I selected a collection that I believe forms a compelling and engaging exhibition. No jury process is entirely free from personal response. While I sought to be as objective as possible, certain paintings drew me back repeatedly. In the end, it was their unmistakable "magnetic quality"—their ability to move, surprise, and linger in the mind—that earned them a place in the exhibition. They may not have been perfect, but they were memorable, authentic, and emotionally resonant. I thank every artist who shared their work and congratulate both those selected and those who participated. My sincere appreciation also goes to the Ohio Watercolor Society board, members, and volunteers whose dedication made this exhibition possible. I hope you enjoy the exhibition as much as I did.

## Ohio Watercolor Society Jim Brower Lifetime Achievement Award

### Christopher Leeper

Christopher Leeper is a realist painter and workshop instructor painting in all mediums. He grew up in Western Pennsylvania and attended Youngstown State University (YSU). He graduated in 1988 with a BFA degree in Graphic Design and subsequently worked as a graphic designer for an ad agency and a health care system.

Even while working he was continually painting, entering shows and competitions. Some highlights from this period include winning the Pennsylvania Conservation Trout Stamp in 1997 and 2003; winning Best in Show, Area Artist Regional Exhibition, Butler Institute of American Art, Youngstown, OH; and exhibiting in the American Watercolor Society's Annual exhibition, NY.

In 2000, along with his wife Kathy, Chris moved to Canfield, OH. He also quit his job at St. Elizabeth Health Center, Youngstown, Ohio, built a studio and became a full-time artist.

During this time, Chris had been teaching part-time at YSU. Since he no longer had a full-time job, he took on more university classes and began teaching classes in his studio, as well. The enjoyment and fulfillment he got from teaching was surprising since that was never a career goal. Many of his students have gone on to win numerous awards and achieve signature status, most notably in the Ohio Watercolor Society. In 1997, he began teaching workshops in all media. He now teaches as many as twelve workshops per year throughout the country.

*The In Between*

One of his main goals after establishing his studio was to do more illustration work. Chris did numerous border illustrations for the wallcovering industry. By the end of 2005, he had also illustrated four children's books for the Smithsonian and the African Wildlife

Foundation and had written and illustrated the book *Realism in Watermedia*, (North Light).

In 2015, Chris began competing in plein air competitions. Some notable events include Easton Plein Air, Door County Plein Air, En Plein Air Texas and the Cape Ann Plein Air Festival. He is an active board member for the Ohio Plein Air Society.

*Boneyard*

Chris's work has been featured in *The Artist's Magazine*, *Plein Air Magazine*, *Watercolor Magic* and *Ohio Magazine* and in the book *Splash 14* (North Light). In 2021, he was a finalist in the Plein Air Magazine Salon and was featured in the Aug./Sept. 2021 issue of the magazine.

A prolific painter, Chris has participated in national exhibitions with the American Watercolor Society, American Impressionists Society, Oil Painters of America and National Oil and Acrylic Painters Society. His award-winning work has been shown in solo and juried exhibitions throughout the country, and he has twice received the Gold Medal in Watercolor Ohio, the annual juried exhibition of the Ohio Watercolor Society in addition to more than a dozen other awards.

*Gator Country*

Chris is past president (2008-2012) of the Ohio Watercolor Society and is a signature member of the National Oil and Acrylic Painters' Society and Oil Painters of America. He is on the Board of Trustees for the Ohio Plein Air Society and the Cliffside Artists Collaborative, Hinckley, OH.

## Ohio Watercolor Society Jim Brower Lifetime Achievement Award

### Christopher Leeper

*continued from page 5*

In response to the question often asked of artists, "Why do you paint?", Chris's response is two-fold. First is his upbringing in rural western Pennsylvania, which left an impression on the sense of how he looks at the world, with an excitement and a need to respond when confronted with a sublime landscape. The second is what he considers his muse: the light. Always looking for that moment when light, shadow, and form all come together, Chris enjoys representation but will often alter a painting as it develops. For him, the act of painting is one of discovery and possibility, so his paintings are usually more distillations than true representations.

Chris resides in Canfield with his wife Kathy and their two sons, Jack and Brian, and their awesome dog, Bumbles.

optimize its success. Manager Matthew Sayre was instrumental in mapping the logistics and providing help in many ways including arrangements for the banquet.

Our own volunteers were both efficient and helpful during take-ins and the re-boxing of the work for storage in Findlay. Special thanks to Dennis Zimmerman for arranging transport of the paintings from Sylvania to Findlay.

Chris Leeper is this year's winner of the Jim Brower Lifetime Achievement Award. He is well known to most members of OWS, having served as President 2008-12 and for his many years of teaching watercolor painting in Ohio as well as his artistic talent. This award is much deserved.

Working with our Juror, Ratindra Das, was a pleasure. He also led the workshop, which was held in Sylvania. His leadership made it an excellent experience for the participants. Many thanks to Erin Szavuly, Art Department Chair at Lourdes University. Even as she was working to finish her own efforts to shutter the department after closure of the University, she helped in numerous ways to realize an outstanding workshop.

Thanks to everyone who helped make Watercolor Ohio 2026 a great success.
