

Exercise Development Workshops

Join us for one of four interactive & collaborative workshops where we will discuss and practice exercise design, development, and delivery methods in a simplified approach. You will leave the workshop with tools to help you through the entire process, from the concept & objectives meeting to the delivery of the exercise and the very important After-Action Reports that are simplified and usable.

- ✓ 'Beyond the Checkbox' of Exercise Design
- ✓ Simplified Exercise Development
- ✓ Incorporate Priorities & Limitations
- ✓ Application & Practice
