

2025 Mankato Marathon Medical Volunteers Needed!!

We're looking for inspired, outgoing, and fun-loving medical volunteers to help provide on-course medical aid for the upcoming Mankato Marathon (October 18th and 19th, 2024)

Qualified volunteers will:

1. Have a current EMR, EMT, Paramedic, CAN, LPN, RN, or other state issued professional healthcare certification or licensure
2. Have a current BLS CPR certification
3. Enjoy the challenge of a dynamic medical response environment

- Providers will staff various aid stations along the marathon route. Equipment and vests will be provided

- There are also a limited number of bicycle response positions available (must provide own bike).

- EMS students are also encouraged to apply to observe and assist providers.

- Volunteers will qualify for a stipend

- Free certificated CPR training available
