The Minnesota State High School League makes yet another change in scheduling for football set to start in the 2017 season. There will still be District play but new Metro and Suburban districts were created. The new districts were developed in hopes of freshening up scheduling options to make the 8 regular-season games more competitive. Becker will be a part of the North Central District along with 21 other teams. Not only will this shift allow for more competitive games but it will also enhance the lower levels by giving them full schedules playing against full-rostered teams.

**Our New Section this year consists of the following teams:** Becker, Big Lake, Zimmerman, Delano, Princeton, and Foley

**Have you ever wondered where to find the stats, scores and rankings of ours or other teams?** Well, you are in luck, I am listing a few of the most popular sites/apps used by myself and others. For the latest on Minnesota High School football news (scores, stats, rankings etc), try one of these: Northstar Football News, St. Cloud Times, Hudl, Twitter, MN Football Hub (Star and Tribune), Minnesota-Scores.net, maxpreps.com, mshsl.org, KARE11 or WCCO4 News

# TWO TOURNAMENTS, TWO CHAMPION TITLES

## 2017--7 v 7 Summer Passing League

Your Becker Bulldog 7v7 football teams had a very successful summer winning the Minnesota Vikings tournament and the first-ever St John's University tournament.

The Minnesota Vikings hosted a 7v7 tournament in Minnetonka and Eden Prairie at Winter Park. Sixteen teams from across the state were present. The Bulldogs defeated Fridley 55-38 in their opening game and went on to defeat Bloomington-Jefferson 42-35, Stillwater 53-52 and DeLaSalle 26-24 in the Championship.

The St John's tournament hosted 16 teams from across the state. The Bulldogs started the day by defeating St Cloud Apollo 28-18 and went on to defeat Buffalo 38-35 and Saint Paul South 27-18. They were set to play Alexandria in the overall Championship game but the sweltering, windless heat caused the organizers of the tournament to cancel the game for the safety of the players declaring the top two teams the Champions.

## We Love Our Bulldogs!

## DONN LARSON.....MAN OF TRADITION

Becker football is built on tradition and one of the pillars of this solid foundation is Donn Larson. Donn has a deep passion and love for Becker Football. He started attending games in 1982 and has been putting in countless hours behind the scenes ever since. Many of the unique traditions that fans and players hold dear and look forward to were started by this man (Touchdown licorice, Bazooka bubble gum, pregame meals, continuing of the pork chop/corn feed, Coaches fish fry, spaghetti dinner, Black Betty, just to name a few) . Donn's role on the team started out as tech-support. He continues this role today but has grown into the role of being Coach Lundeens bodyguard-ha.

Growing up his children Amy, Dave and Kate remember Fall Friday nights for them being filled with sub sandwiches from the Sub Shop and Becker Football. For many years Donn and his wife Pat would host the football players for home cooked meals on Fridays before the games. They had noticed many players that lived out of town were resorting to Little Debbie cakes from Tom Thumb for supper and they felt they wanted to help those kids out. This is a tradition that is still carried on today by Senior parents. Donn lives in Becker with his wife Pat.

He has 3 children, Amy, Dave and Kate and also has 6 beautiful grandchildren. Donn worked at the Becker Power Plant for 37 years and now days Donn can be found filling his time fulfilling the roles of dad, grandpa and Captain Donn. Another great passion of Donn's is fishing. Donn guides many a fishing outing up on Lake of the Woods.

Donn shared with me that he feels so blessed to be able to participate in the Becker Football Program. I think many who know Donn would agree that Becker Football is blessed to have him. Thank you Donn for all you have done to build meaningful and fun traditions in our program and for all the things that you continue to do! You are greatly appreciated.
