Should any damage occur because of Lessee's failure hereunder, Lessee shall be held responsible for damage. **Lessees** are responsible for their own gas and electric bills, which may include any incidental usage occurring during Lessees' liability as a result of normal property management & operation. 1.8 SECURITY DEPOSIT

Lessee agrees that the security deposit in the amount set forth above shall be held by Lessor and may be commingled with Lessor's operating funds: Lessee waives interest on security deposit and on any pre-paid rent. THE SECURITY DEPOSIT IS NOT RENT and Lessee may not use it as rent, but is a deposit which will be returned to Lessee after he/she surrenders the premises and returns all keys to Lessor; premises must be left in clean condition and ready for the next occupant. By "clean condition and ready for the next occupant" is meant clean and the better of: (1) the condition of the premises when turned over to Lessee, or (2) the condition of the premises following the completion of any work performed by either party to improve the premises (normal wear and tear excepted). Lessee agrees to the assignment of security deposit to new owner in the event of the sale of the property. All sums due under the lease may be set off against security deposit.

When all tenants vacate the unit, any remaining security deposit will be made payable to all current tenants on the current lease and mailed to a single address provided by the tenants in writing.

Lessee has examined and knows the condition of the premises and has received the same in good order and repair except as otherwise noted and endorsed by both parties on the reverse hereof and no representations as to the condition or state of repair have been made by Lessor except as noted and endorsed by both parties on the reverse hereof. Lessee may request in writing a list of physical damages or defects charged to the previous tenant's security deposit.

1.9 TERMINATION

After Lessee leaves the premises, he shall be liable for the premises as though still in possession for all damages thereto until he has delivered all the keys to Lessor. The burden of proof of delivery of such keys is on Lessee. If the Lessee removes from the premises and leaves personal property, Lessor may presume, in the absence of a written agreement between the Lessor and the Lessee to the contrary, that the tenant has abandoned the personal property and may dispose of the abandoned personal property in any manner that the Lessor, in his sole discretion, determines is appropriate, except for medical items which shall be treated in accordance with SS 704.05 (5) (am).

1.10 BREACH OF LEASE

In the event Lessee violates any of the terms of this lease, Lessor may serve the statutory five or 14 day notices as though Lessee's tenancy was a tenancy for one year or less. In the event Lessee is evicted for failure to abide by the terms of this lease, or otherwise leaves the subject premises prior to the expiration of this lease, Lessee shall remain liable for all rental loss through the end of this lease as well as advertising, utility, city services, and all rental costs and fees unless Lessee is expressly released from such obligation by Lessor **IN WRITING**. Any rent specials or incentives given shall be rescinded if lease breached in any way. Lessor will conform to the requirements of 704.29 regarding mitigation of Lessee expenses.

1.11 WAIVER

In the event either party defaults on any requirement of this lease and the other party fails to act on account of that default, the failure to act (waiver) shall relate only to the specific act of default. One or more such failures to act (waivers) by either party shall not constitute an amendment of this lease or an indication that later defaults shall result in a similar failure to act (waiver).

1.12 APPLICATION

If Lessee makes representations to Lessor on a rental application or otherwise which induce Lessor to enter into this lease and Lessor thereafter discovers one or more material falsehoods or material undisclosed facts in said representations, Lessor may cancel and rescind this lease upon written notice as though this was a month-to-month tenancy.

1.13 TERMS

The terms "Lessor" and "Lessee" as used herein shall be taken to mean singular or plural, masculine or feminine, as the case may be, and the provisions hereof shall bind all parties, their heirs, successors, and assigns.

1.14 TAX

In the event that sales tax is enacted on rentals, that tax shall be in addition to the rental amount specified and shall be part of rent. Starting the January following execution hereof, the rental amount may be adjusted by Lessor to reflect property tax changes on a prorata basis.

Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Lessor must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention. **Lessor's Disclosure:** Lessor has no knowledge of lead-based paint and/or lead-based paint hazards in the housing. Lessees understand that if they fail to properly clean/repair their apartment upon departure, they will be charged for any costs, less normal wear and tear, associated with returning the unit to original condition.

Any security deposit withholding to off-set against damage will be actual cost if available. The above listed damage amounts are offered as an informational courtesy as to what typical "reasonable compensation" for each item or claim approximates. In the absence of actual costs, the above listed costs may apply.
