12. Lateral Assistance Program

Mike Holland introduced Sam Kruizenga, a resident, who addressed the Board regarding the increased cost of replacing the lateral at his residence due to the lateral entering the roadway and being under porch and sidewalk. Mike reviewed the current parameters of the Lateral Assistance Program, proposing an increase from \$5,000 to \$7,500 cap for reimbursement by the District for exterior service work.

President Collins moved approval to increase the reimbursement to \$7,500. Trustee Ray seconded. The motion carried by a 2-0 roll call vote. Aye: Collins, Ray. Nay: None. Absent: Struthers. President Collins declared the motion passed.

13. Plan Review

a) Arista Residences (Buhr's Landscaping property)

Mark Eddington reported there is ongoing discussion regarding relocation and up-sizing of the existing sewer line. He discussed conceptual cost estimates and recommended the District participate up to 25% of the interceptor sewer costs. Benefits to the District would be a larger sewer adding 33% capacity increase, improved access to the sewer, and the future ability to re-route the immediate downstream sewer from beneath the property at 2410 Sycamore Road. It was estimated that the District's contribution would be in a waiver of roughly \$24,000 in connection fees and a future payment of roughly \$25,000.

b) Project Supernova/Gurler Rd. Sewer Extension (Peace Rd. Phase)

Bill Nicklas reported the closing has occurred and there will be a public announcement regarding this project.

c) Project Thunder

Mark Eddington provided project information.

d) Project Lakeview

Mark Eddington reported the project is ongoing.

e) Goldin Property

Mark Eddington reported the Goldins have shown interest in annexing this property into the City of DeKalb.

14. Annexations/Pre-Annexations

None.

15. Engineer's Report

a) I/I Program

Mike Holland reported that Baxter & Woodman has provided a proposal for \$39,850 to continue KWRD's I/I removal investigations in Basin 16, which Staff recommends authorizing. Mike Holland requested authorization to proceed with execution of the B&W \$39,580 Work Order. President Collins moved approval to proceed with execution of the B&W \$39,850 Work Order. Trustee Ray seconded. The motion carried by a 2-0 roll call vote. Aye: Collins, Ray. Nay: None. Absent: Struthers. President Collins declared the motion passed.

b) Phase 1C/Headworks Improvements

Mike Holland reported staff has been working with Baxter & Woodman and Strand on conceptual design analysis and process alternatives. This will continue through the summer.

c) Gurler Road Sewer Extension

Mike Holland reported that Baxter & Woodman has been working on a conceptual design report to extend gravity sewer east along Gurler Road to provide a direct connection for the Waste Management landfill. The preliminary Engineer's estimate is \$2.45 Million.

16. Projects

a) Malta / KC Sewer Extension

Mike Holland stated Berger has completed the gravity sewer and force main portions of the project and both pump stations are mechanically complete. Electrical installation has begun, and startups of the pump stations are expected in August. There was no payment application this month.

KWRD has received \$250,000 of congressional funding from Sen. Durbin, via USEPA Community Grant Funding. These funds will reimburse KWRD for construction costs already spent on a portion of the gravity sewer and will be deducted from the IEPA loan amount.

Change Order No. 1, incorporating various Contract Modification Requests (CMR's) for the additional amount of \$52,709.55 and a 194-day time extension has been prepared for the Board's review and is recommended for approval.

President Collins moved approval to proceed with Change Order No. 1 in the amount of \$52,709.55. Trustee Ray seconded. The motion carried by a 2-0 roll call vote. Aye: Collins, Ray. Nay: None. Absent: Struthers. President Collins declared the motion passed.
