

High-end bathroom furniture takes a home to the next level of style and comfort. For over 35 years, Acorn have supplied prestige bathroom furniture using the latest technology combined with contemporary styles. The union of modern forms and quality functions give customers a huge range of bathroom furniture combinations.

A family owned business, working closely with a number of trusted suppliers, ensures a seamless production and supply process. Designed and manufactured in the UK to our exacting standards, Acorn's large range of styles and thorough manufacturing processes enable the products to speak for themselves.

Vigorous testing of every component means our furniture can survive the harshest bathroom environment. We believe in our products so we offer a 5 year guarantee on all furniture within this brochure.

Acorn are proud to be an ethical manufacturer whose principles are founded on the reduction of our carbon footprint throughout the supply chain and a responsible approach to both quality and the satisfaction of our clients.

Acorn believe strongly that our planet is our responsibility, that is why for every furniture order supplied we secure the planting of a tree via the Eden: People + Planet project.

Specialist Advice

Choosing your dream bathroom can be an emotional decision. All Acorn furniture is available in 21 colours and various door designs giving unrivalled choice and design possibilities.

The ability to combine both modular and fitted furniture seamlessly in one cohesive design allows for truly customisable and unique bathroom design opportunities.

Ready to assist you along the way, your specialist local Acorn bathroom retail showroom has extensive industry knowledge and their dedicated service will turn your ideas and dreams into a bathroom reality!

Flawless Designs

The Acorn design team take inspiration from all aspects of life, bringing together, not only aesthetic beauty, but everyday practicality. Blending form and function seamlessly to create sensory products designed to be used in everyday sanctuaries to elevate your well-being.

Make a statement with a **modular** design

Go wall to wall with **fitted** furniture

Have it your way by combining **modular & fitted**

A creative selection of units and sizes will give you the ultimate fitted furniture bathroom presence. Complementary worktops really bring your designs to life. Fitted or modular, your room layout will be further enhanced with sanitaryware and accessories.

If you choose a worktop for your units, we have a superb range on page 136.

# CHANNEL

Our push-to-open, handleless range features subtle grooves in the front panels to evoke a pure, symmetrical design. Available in all colours, the Channel floor standing range can be complemented with either a Mineral Cast basin or a Solid Surface worktop and Basin of your choice.

The floor standing handleless design creates an enigmatic presence in a contemporary bathroom.

# MARCO

The classical stylings of the Marco furniture range will provide a bathroom aesthetic that lasts for years. This range is available in many stunning colours and can be completed with legs, basin or worktop. A tall wall unit and WC unit can also be introduced to complete the look.

Cashmere Gloss

Cashmere Gloss

# CURVO

The subtle curves of the Curvo range echo the ripples of water found in the bathroom. This range can be enhanced with legs, curved taps, handles and basins. A tall wall unit really inflates the styling of this range.

Matt Antique Rose

Matt Antique Rose

# MODULAR

Our furniture is designed and expertly crafted in our UK manufacturing facility giving you piece of mind that quality is always assured.

Acorn furniture is available in 3 door designs including modern, contemporary and traditional.

**Level Design**

With clean lines, this minimalistic slab door design gives a sophisticated yet modern feel to any bathroom design.

**Laura Design**

Featuring a contemporary integrated handle, our Laura door allows for a seamless flowing aesthetic. Not available on 150mm wide doors. Not available on Tissue Dispenser Unit.

**Milan Design**

For the more classic at heart, the Milan door brings true elegance to the more traditional bathroom design. Laura handle not available on Milan door: Not available on 150mm wide doors.

# SERIES 46

Combining multiple Basin options with our range of Base Units enables you to build your bathroom in your own way. Series 46 features 46cm deep units giving you more storage and an enhanced design aesthetic.

12mm Solid Surface

Our worktop material is a solid waterproof and antibacterial material made of mixed granite granules and acrylic resins. It is extremely versatile and workable and can be cut and shaped using standard woodworking tools. Cut edges can be simply sanded and polished to the desired finish and minor scratches and damages can also be repaired. Available in 8 stunning finishes.

Add the colour code to the Worktop size code eg.  
WT170LG = 510 x 380 Worktop in Lunar Grey

### Level Design

With clean lines, this minimalistic slab door design gives a sophisticated yet modern feel to any bathroom design.

Matt Fern, Level Design

Our Matt Fern finish is paired here with Neo Quartz worktops to create an organic character which brings a sense of the outdoors inside the modern bathroom.

## Creating the design

Matt Black taps, handles & legs bring a satisfying complement here to the Matt Fern units. The curves of the Livello handles

are echoed in the curves of the Livello basin.

## Slate Grey Gloss, Level Design

Our designers have combined Slate Grey Gloss with Matt Black accents in this functional and appealing design, bringing both valuable storage solutions and practical necessity together seamlessly.

## Creating the design

Combining two handle styles into one overall design attaches an element of playfulness to this understated yet elegant design.

Wall mounted units also provide a spacial spectacle.

## Cashmere Gloss, Level Design

A timeless opulence created through the use of Cashmere Gloss cabinets enriched with Neo Quartz solid surface worktops and beautifully finished with a mineral cast semi recessed basin. Combining wall and floor mounted elements helps to create flow in this chic design.

## Creating the design

Ample storage for the things you want to hide and display space for the things you don't. This smart design is highlighted

with minimalistic but complementary details, from lights to handles, every detail counts.

## Matt Tacora Red, Level Design

Naturally inspiring and functionally rewarding, the Level design units in Matt Tacora Red provide a muted yet fashionable aspect. The darker interior and white inline basin only add to the external clean, uncluttered styling.

## Creating the design

The smooth curves of the Sima WC complement the unpretentious unit styling, with Chrome knob handles and taps

providing glints of richness. The room is dynamically lit from the LED border of the Konnex mirror.

## Stone Matt, Level Design

Our earthly influenced Stone Matt finish works well with Chrome handles and their curved profile complements the flat Level design doors. A Neo Quartz solid surface worktop is an elegant finish on top of the units.

## Creating the design

Bridge curved handles provide effortless style and marry seamlessly with the Esta Chrome taps. Further curves transpire

from the Nemi basin and additional storage is found in the double door Konnex mirror cabinets.

# BRASSWARE

## ESTA

Bold yet understated, Esta offers basin mounted options, shower valves and a freestanding bath shower mixer giving you huge choice in your bathroom design.

PVD coatings possess a far higher resistance to wear than traditional gold plating and will stay on the product longer than traditional electro-plating and powder coating.

15  
year

## Terms & Conditions

## Product Guarantee

All product guarantees are subject to the following terms and conditions: The product has been fitted/installed in a well ventilated room with appropriate air extraction and in accordance with the appropriate fitting instructions, local bylaws, by a competent qualified installer and in line with general good plumbing practice; The product has been maintained and cared for in accordance with the instructions (including regular and appropriate cleaning); If any product has been modified, misused, neglected, wilfully or accidentally damaged; or if Acorn have not received payment in full; then the product guarantee is invalid.

The guarantee on all products can be found on our Guarantee webpage: [www.acornbathrooms.co.uk/termsandconditions](http://www.acornbathrooms.co.uk/termsandconditions) and will be valid from the date of supply from Acorn unless otherwise stated. The guarantee only covers the material structure of products (excluding shattering glass) and not serviceable moving parts that perish due to fair wear and tear such as cartridges, valves, hinges, seals, bulbs etc.

In the event of a guarantee claim, the liability of Acorn is limited to the product supplied and does not extend to consequential loss or damage arising from defective product. The guarantee applies to the original purchaser ONLY and is not transferable. This guarantee does not affect your statutory rights and is applicable in the UK Mainland and Republic of Ireland (exclusions apply, see website for details). All products installed in a commercial or rental property environment carry a 12 month guarantee. All electrical goods carry a 12 month guarantee.

The specifications and prices contained within this brochure are for information purposes only and, as our products are continually updated, are subject to change without prior notice. We cannot be held responsible for the use of incorrect dimensions shown for first fix without the actual products on site. All dimensions stated in this brochure are nominal and are subject to manufacturing tolerances. All prices include VAT at 20%.

Ensure that a shower head is never installed facing outwards towards the shower enclosure/door as water will inevitably escape if large amounts of water are purposely directed at seals or gaps between aluminium and/or glass. If wet doors swing out into a bathroom, water will drip down onto the floor; please ensure that floor coverings are suitable for bathrooms.

## Order Amends and Cancellations

Due to all Acorn products being produced specifically to customer size and colour requirements, we are unfortunately unable to accept any returns, amendments, or cancellation of orders once production has commenced.

Should you realise an error has been made then please contact us with immediate effect and we will consider any order amendments based on the production status of each individual order.

## Returns

Any items that have been reported and accepted by Acorn as faulty or damaged will be credited in full upon inspection on return to our warehouse. Please note that any damages or shortages will only be accepted if reported within two days of receipt in writing by email. Notification outside of the two-day period may invalidate a claim.

Upon receipt of the returns request our returns team will process the relevant paperwork to arrange the collection of the requested products. We may sometimes require additional information relating to the returns request such as images of the products to highlight any relevant reason for return. It would be a benefit if these can be provided at the time the returns request is submitted to us. Once confirmation that the goods are available for collection, we will arrange to collect the items via our own vehicle, or carrier. Should a failed attempt be made to collect the goods for return then a fee to cover the transport costs for the failed delivery may be applied and deducted from the value of the credit.

All items that are due to be collected must be packaged in original packaging to reduce the risk of damage during transit. Any products that are found to be returned damaged due to being unsuitably packed may result in a request for credit being refused.

Any products returned in a condition other than that which is stated in the returns request may result in a request for credit being refused.

As per our conditions of sale and terms of our guarantee, the liability of Acorn is limited to the product supplied and does not extend to consequential loss or damage arising from products received defective or damaged.
