Dear Pastor,

Love and peace!

The bearer of this letter domiciled in your parish asked for my permission to get married in one of my parish churches. Before giving my approval, I request you to send me a letter of permission for the marriage to take place in my parish, affirming that you will take care of all the needed paperwork.

If your parish belongs to a diocese other than the diocese of Norwich, CT, please make sure that you send all the documents to your chancery for processing.

The documents:

Testimonials/Nihil Obstat for marriage

Preliminary Marriage interview for the Bride and Groom

Letter of permission from the Pastor

Attestations of freedom to marry for the Bride and Groom

Certificates of Baptism, with no notations, and other sacraments

Pre-cana certificate

Thank you and God bless you,

Fr. Arul Rajan Peter
Pastor
