

Prepress Services & Brand Management

Today companies are looking to make their mark in their industries...to rise above the competition, to add value to their customers' needs and to make a strong lasting impression.

For more than 100 years, Excelsior Marking has combined the expertise, craftsmanship and dedication to help all types of companies make their mark.

Our Services

A full-service department which includes Account Managers, Designers and Technicians.

The ability to strengthen your brand identity and allow your products to stand out from the competition.

Expertise in digital prepress functions and ISO 9001 certification to ensure consistent quality.

Color Management.

Continuous upgrades to software and equipment to provide state of the art solutions.

A one stop shop to provide a more cost effective solution.

Coordination with your Art Department or Printer.

Software includes Adobe Creative Cloud (Illustrator, InDesign, Photoshop, Acrobat Pro).

State of the art inkjet proofing including wide and narrow format and contract dot-proof for press match.

Excelsior's Graphic Designers will take your project from concept to design and to print.
