

The Learning Loft Inc.

At The Learning Loft, we are so grateful for the trust you place in us each day to care for, nurture, and educate your children. Our families are the heart of our center, and we are always striving to create an environment where children can grow, play, and learn in joyful and meaningful ways.

We are writing to let you know about an upcoming update to our tuition rates. We have not raised tuition in several years, but in order to continue providing the high-quality care and exciting opportunities that our children deserve. The new pricing will go into effect on September 1, 2025.

This adjustment will allow us to not only maintain the level of care you expect, but also to enhance our program in ways that directly benefit your children. We are budgeting for exciting improvements—most notably, a new playground designed for safe and active play. In addition, your child's tuition now includes:

- Stretch & Grow classes (movement and physical enrichment)
- Music Stars classes (creative music experiences)
- Seasonal extras such as Santa photos and other special events throughout the year

These additions come at no extra cost beyond the updated tuition and are part of our commitment to providing a well-rounded, joyful experience for every child in our care.

Attached, you'll find our links to our updated Financial Policy, which outlines the new tuition schedule. We kindly ask that you review, sign, and return this document to us by September 1st.

We truly appreciate your continued support and partnership. Together, we can make The Learning Loft an even more special place for your children to learn and grow. If you have any questions about the changes, please don't hesitate to reach out—we are always here to talk with you.

With gratitude,
The Learning Loft
