EASYVIEW™ ROLLER SHUTTERS

EasyView™ is a strong roller shutter system constructed of an extruded aluminium and a transparent, UV resistant polycarbonate profile, which provides added security and permanent views of the outdoors.

EasyView™ is ideal for providing permanent outside views in a modern and sleek design. The system provides an affordable way of creating that extra room or enclosure, with protection from the elements in both Winter & Summer.

EasyView™ is suitable for various commercial and industrial, shop front, shopping centre grille, cafe & restaurant, counter top and internal separation barrier/doorway applications, or where both security and visibility are required.

EASYVIEW™ BENEFITS

- Turns open spaces into extra rooms.
- Ideal for shopping centre grilles & cafe applications.
- High quality aluminium & UV resistant polycarb profile.
- Commercial grade double wall extruded profile.
- **NEW stronger, larger & clearer 60mm polycarbonate profile with 20% more light & vision.**
- **NEW high rigidity bottom bar.**
- Roll-tight design.
- Suitable for wide shutter widths up to 4400mm.
- High quality powder coated finish.
- Choice of profile colours.
- Fully retractable into an enclosed pelmet.
- Either manual or motorised operation.
- Removable central support guides where required.
- 5 Year Roller Shutter Guarantee.
- Made in Australia.

* Please see "EasyView Care Guide" Leaflet for advice on caring for EasyView Roller Shutters to minimise the occurrence of scuffing and marks during normal use.
