ENTRY RULES:

Players will be allowed to Re-Enter immediately if there is no one waiting in line and the maximum entries has not been exceeded. However, if there are persons waiting in line to enter, then players who wish to Re-Enter must go to the back of the line. Please note that no one may save a place in line for any person.

Registration opens 30 minutes before the start of tournament and continues until the end of the first break.

There will be one single ante posted for the whole table by the player with the Big Blind. The Big Blind is posted first and players from any position will be eligible to win the entire ante regardless of chip stack. Players stacks will be put in play right after registration. Surrender is allowed. See Tournament Staff for more details.

Halfway Bounty Bubble:

Players contribute \$50 to the bounty pool when they enter the tournament. When half the field remains, the bounty value doubles to \$100. No bounties are awarded until 50% of the field remains. Once 50% of the field remains, all hands finish to completion. If multiple players are eliminated on the same hand, those eliminations do not qualify for the bounties. Any additional bounty money will be added to the first place bounty. Bounties become active for subsequent hands.
