LANDMARK TOURNAMENT RULES:

20K Chip Starting Stack \$125 BUY IN \$23 Entry Fee \$7 Staff add on

The Landmark is 160k in chips. A player who reaches or exceeds the Landmark will be awarded a \$1,000 cash prize.

Once a reached Landmark is Verified, the player ceases play and their chips are removed from play. The awarded cash is removed from the prize pool.

A player may request a count of their stack for claiming they have reached a landmark at any time between hands.

It is the players responsibility to notify a dealer or tournament floor that they have reached a landmark before the next hand is dealt. If dealt in, the player must complete the hand before verification.

In the event no one left can reach the landmark amount, any residual prize money under \$1,000 will be paid to the last surviving player.

In the event a \$1,000 prize is available and no one left can accumulate 160,000 chips, the largest remaining stack wins \$1,000. The hand must be complete before verification.

ENTRY RULES:

Players will be allowed to Re-Enter immediately if there is no one waiting in line and the maximum entries has not been exceeded. However, if there are persons waiting in line to enter, then players who wish to Re-Enter must go to the back of the line. Please note that no one may save a place in line for any person.

Registration opens 30 minutes before the start of tournament and continues until the end of the first break.

There will be one single ante posted for the whole table by the player with the Big Blind. The Big Blind is posted first and players from any position will be eligible to win the entire ante regardless of chip stack. Players stacks will be put in play right after registration. See Tournament Staff for more details.
