BROKEN HILL WANDERER

Craving a holiday that feels truly different—rich in story, wild beauty, and guided by local experts?

The Broken Hill Wanderer isn't about rushing. It's about slowing down, looking closer, and letting the outback speak.

Wander through ghost towns where rusted signs and crumbling facades still echo with hopes and hardships. Stand at the Sculpture Symposium at sunset—where golden light transforms sandstone and a quiet connection lingers.

Broken Hill isn't a backdrop—it's a character.

Red earth crunches underfoot. Golden light sweeps across ancient hills. The air carries eucalyptus and memory. Pink galahs streak across vast skies. Miners' cottages hold stories in weathered stone.

Broken Hill blends pioneering spirit with artistic soul. Its heritage-listed streets reveal something at every turn—a mural, a miner's tale, a gallery inside a pub.

The Broken Hill Wanderer from Silver City Tours takes care of the planning, with seamless logistics and guides who know the land. Enjoy river cruises, historic walks, relaxed evenings, and time to let the outback work its quiet magic.

Start dreaming about your next adventure.
