

Leake County School District

Request for Quotes

Digital Curricula for credit recovery and expanded course access

Overview

- 1. Introduction:** The Leake County School District is located in Carthage, MS 39051. School facilities consist of five school-wide Title I schools and one central office. The district has approximately 2,300 students. The overall accountability rating for the school district is a “C”.
- 2. Goal and Purpose of RFQ:** The purpose of this Request for Quotes (RFQ) is to obtain quotations for an Online Credit and Credit Recovery Course Program. The product should also include learning paths and follow-up assignments for students with teacher resources. In addition, this program should be aligned/correlated to the Mississippi College and Career Readiness Standards. [Strategic Plan Goal II: Improve Student Achievement through a Rigorous and Relevant Curriculum; Objective A: Implementation of MS College and Career State Standards and High Stakes Assessments]
- 3. Proposal Requirements and Project Scope for:** Leake Central Jr. High, Leake Central High and Leake County High School
- 4. Service Specifications and Provisions:**

The program must adhere to, align with, and provide the following:

 - Be an online credit recovery course program that can be used throughout the year for grades 7-12 to help students meet their academic goals;
 - Will adapt to the changing classroom requirements;
 - Can be implemented in any in-person, blended, or virtual learning model;
 - Provides easy-to-access tools that promote academic integrity in areas such as plagiarism and completing tasks in a time appropriate manner;
 - Provides translation services for many languages;
 - Provides support when interacting with texts, read-alouds, guided notes, personalized assignment calendar;
 - Is constantly updated to reflect changes in national and state standards;
 - Engages students in multi-modal learning;
 - Provides customization tools to meet learners’ needs;
 - Provides real time data and helps identify students or groups who may be struggling;
 - Scaffolds to support students with special educational needs and can make accommodations;
 - Offers a broad set of customizable career and technical education courses with real-world activities and problem-solving curriculum;
 - Reports available for student, class, school and district;
 - Reports should be available for the individual student or class;
 - Reports should reflect the progress of the grade, school, and/or the entire district;
 - Must describe how personally identifiable information is protected and appropriate for school district use;

- Must have enough data (i.e. effect size) to prove efficacy;
 - Must have evidence-based research to comply with Every Student Succeeds Act (ESSA);
- **Ordering:** Bidders should provide information on the ordering process that will be used by the Leake County School District (LCSD). Bidder should detail any online ordering system that reflects “current” pricing/discounts offered to LCSD. Bidders should provide ample details on how their company’s online ordering system works and be willing to provide a “real time” walkthrough of this process if selected. Online ordering system preferred;
 - **Returns:** Bidders should outline process for return, giving details of how credits are made and what restrictions are placed on returns;
 - **Delivery:** Proposer should outline delivery information, including any associated charges or restrictions. The district requires deliveries to be made to individual schools or offices – deliveries for schools will not be accepted by the district office (if applicable);
 - **Complaints/Issues:** Proposer should outline how complaints are resolved and how the resolution of complaints or similar issues is communicated;
 - **Legal Compliance:** Contracted vendor must comply with all local ordinances, and all state and federal laws/regulations, including but not limited to – permits, licenses, health/sanitary and tax issues.
