FFA members helping to clean up in the community!

LCCTC learning about different Businesses & Industries

Students from Auto Mechanics and Construction attended Manufacturing Day at the Neshoba Coliseum and toured different industries.

Students learning about banking, credit, and finances from Mrs. LeeAnna Pope, loan officer for Trustmark Bank in Carthage.

Students from Ed. Prep received a visit from their State Sponsor - she gifted them with an Educator's Rising Sign for their classroom.

Students Preparing for the Future Clinicals & Field Hours

Students from Health Sciences prepare for their futures in the health profession by gaining field experience at Baptist Leake in Carthage. Students for Educator Prep gain skills from field experience at Leake Central Elementary & Leake Central Junior High School.
