Collection Facility
188 Red Eagle
Wetumpka, AL 36092
Updated Policy and Hours

Job duties of the Environmental Specialist managing the collection facility:

1. Clean jobsite- pick up trash around the site to include the dumpsters on the lower level, the dumpsters on the upper level and the entrance along the fence line.
2. Monitor items being disposed- watch what is put in the dumpsters, see who is putting items in dumpsters, ensure no one is treasure hunting/dumpster diving. Ensure no contractors are using dumpsters.
3. Manage Disposal Area- ensure dumpsters are lined up and in their proper places, direct people to the correct and appropriate disposal area, operate equipment as needed to push/compact/fill dumpsters. Keep the woody debris area pushed off. Keep the mattresses, tires and scrap metal areas organized and maintained.
4. The Collection Facility is intended for paying customers of the County and participating municipalities (Deatsville, Eclectic, Elmore and Wetumpka) curbside residential waste provider.
