RE: Request for Qualifications for Supplemental Planning Activities to further inform future project selections in the Comprehensive Safety Action Plans for Chambers, Elmore, and Autauga Counties,

Inquiry No. 1728

The Chambers County Commission, as the awarding authority for a multi-county partnership, is requesting proposals from qualified engineering consulting firms for supplemental planning activities including intersection and corridor feasibility studies, GIS-integrated sign, guardrail, and pavement condition management plan, and traffic speed and volume data collection on various projects across Chambers, Autauga, and Elmore Counties. You are invited to provide a proposal in response to this RFQ. All proposals should follow the requirements as provided in Section IV of the RFQ.

A copy of the RFQ will be available by contacting Mr. Josh Harvill at the Chambers County Engineering Department, 18107 US 431 North, PO Box 650, LaFayette, AL 36862:

- Phone Number: (334) 864-4377
- Chambers County Hours of Operations are 6 A.M. to 4:30 P.M. (Central Time) from Monday through Thursday

Proposals will be received by the Chambers County Commission until 1:00 pm CT on April 2, 2026.

The Chambers County Commission is committed to promoting diversity in contracting. Therefore, the Commission encourages businesses that would qualify as a Disadvantaged Business Entity consistent with 2 C.F.R. Section 200.321 to submit a proposal.
