Family of Christ will be transitioning to Continuous Enrollment beginning with the 2026-2027 school year. This means after you execute the Enrollment Contract for 2026-2027, going forward, your student will be automatically re-enrolled each school year unless you notify us prior to our re-enrollment date. The new Continuous Enrollment Agreement will be released in January, 2026.

Tuition is per year, per student, and paid over 12 months. Registration is due in January for returning students and at the time of registration for new students.

There is a 10% sibling discount after the first child. Discounts are non-stackable and will be applied to the parent's financial responsibility after any scholarship.

Late charges will be assessed on the 7th of the month.

Parents are strongly encouraged to apply for Florida Scholarships - Step-Up. Be prepared to fund gross annual tuition should the legislature change or eliminate the program. The application process is simple; the office staff can assist you because all students/families qualify if you are a state of Florida resident and a K-12 student.

*Scholarship approximation is based off Hillsborough County residency.

KINDERGARTEN

Current VPK students that have indicated via survey that they would like to be considered for Kindergarten placement will be sent individual offers for enrollment. Kindergarten enrollment is not guaranteed.

LUNCH

Family of Christ uses EZ School Apps to order all school lunches. This platform enables parents to view their monthly orders and spending. All our meals are catered by outside vendors and offer a balanced meal including an entrée, side, fruit, and either milk or water. School lunch is optional. You need to keep a balance to cover the meal cost in your account. Please contact the school office for assistance with registration or if you have any questions about this system.
