DETAILS

All fees and deposits are non-refundable.

NEW and RETURNING STUDENTS

Enrollment deposit \$225

VPK Voucher Only program students are exempt from the enrollment deposit. VPK students must submit their voucher to hold their spot.

LUNCH \$5.50 per meal

We use EZ School Apps to order all school lunches. Parents need to order monthly. School lunch is optional. Meals must be preordered through EZSchoolapps.com

SUMMER

Our program is based on a 10-month school year. Summer session (June, July) options are made available in the spring.

VPK ENRICHMENT

The enrichment program at our preschool is designed to help VPK parents who need extended care for their children on a regular basis beyond the 12pm or 1 pm pick up times. The 12-2pm session is only Mon, Wed and Fridays. Enrichment activities include, but are not limited to, physical fitness, cooking and art classes. This program can be added monthly on at any time. Spaces are limited.

THE FINE PRINT

In exchange for the Student's participation in the preschool program, Parents/Guardians agree to jointly and severally liable for payment of tuition, fees, and other applicable charges incurred by or on behalf of the above-named student. Fees and payments are due and payable in 10 (ten) monthly payments. The number of days the child is actually in attendance has no bearing on the monthly payment. Tuition and fees are non-refundable once paid. Tuition includes materials, spirit shirts, local field trips, special events, ice cream and other incidentals. Part-time voucher only VPK students have the option to cover incidentals with their Spirit Bundle. All tuition payments are processed on the 5th of each month. Please see your handbook for processing, withdrawal and late fees. The state of Florida Health Physical and Immunization forms must be received within 30 days of the student's start date. Students will be placed in their respective class according to their date of birth prior to September 1. All students enrolled in three-year-old and VPK classes must be potty-trained
