

Family of Christ

Friday's \$1 for Ice Cream

Camp Hours 8:00 AM- 4:00 PM

Week 1 Anchors Away for a Great Summer	Get ready to drop anchor and dive into an unforgettable summer at our Anchor's Away Camp! This camp offers a fun, active, and adventurous way to kick off the summer season. Join us for a sun-soaked, wave crashing adventure that promises fun, friendships, and unforgettable memories!
Week 2 Family of Christ VBS Sign up with the Church	Family of Christ will not have camp this week. Family of Christ Church will host VBS. If you would like registration information, please see the front desk.
Week 3 Weird Science	Science is weird! Tune into imagination and creativity. Think cool experiments, slime time, or wacky creatures. Campers will explore and get their hands messy with days of science fun.
Week 4 Lights Camera Action	Artistic expression, belting it out, busting a move, and getting into character are all encouraged! Through art, music, dance, and drama, in a fun, creative and safe environment, designed to build confidence, creativity and teamwork. Engage campers in activities like character development, script reading, and scene design, culminating in a final performance.

June 2026 Summer Camp 3 Entering 5th-8th

- Field trips are subject to change

Family of Christ

Week 5 Stars and Stripes	Discover the land that we call home. Celebrate 250 years of everything red, white and blue. Home town hero's, parades, fireworks, and BBQs. Happy
Week 6 Gamers Got To Game	Bring your indoor and outdoor spirit. Join us for a week of games. Cheer on your favorite team or join a new one. Learn a little about good sportsmanship along the way. Board games, team games, card games, come join us to challenge your mind and body.
Week 7 Jurassic Island	Calling all Paleontologists! Discover the land forgotten by time and unearth incredible secrets of the dinosaurs and their ancient ecosystem. Battle the mighty Tyrannosaurs Rex, and run like a Velociraptor. Together discover the clues left behind by these mysterious creatures.
Week 8 Afternoon in the Amazon	Inspired by the bestselling book The Great Kapok Tree, students will enjoy an unforgettable journey through the Amazon Rainforest. They will visit the jungles action packed layers, learning about the rainforests awesome animal inhabitants- from monkeys, jaguars to anacondas and the dark forest floor.
Week 9 Space is the Place	Get ready for a journey through time and space as students are introduced to the planets and galaxy. They will learn the science of space from rocket launches to the moon and aliens. They will meet great explorers from Galileo to Neil Armstrong or wherever their imagination takes them. This camp is sure to be out of this world!
