Integura Clarity Group is a woman- and veteran-owned small business providing executive management, contract oversight, operational coordination, sourcing, and prime-led delivery for government and public-sector customers. ICG is positioned to purchase and supply products directly, perform professional and program services, and coordinate qualified suppliers, subcontractors, personnel, and strategic partners when required to fulfill contract responsibilities.

CORE CAPABILITIES

- Direct Service Support – Project, process, program, and operational support delivered to contract requirements.
- Product & Service Sourcing and Procurement – Acquisition from qualified manufacturers, OEMs, and distributors.
- Prime-Led Contract Fulfillment & Administration – Execution of purchase/task orders with contract milestone and compliance oversight.
- Supplier & Partner Network Coordination – Managing OEMs, authorized distributors, and teaming partners.
- Procurement Coordination for Primes – Absorbing administrative, compliance-tracking, and reporting burden for prime contractors.
- Quality, Compliance & Traceability – Documentation control, certifications, and requirement flow-down.
- Logistics & Delivery – Packaging, labeling, and shipping per government standards.

EXECUTIVE LEADERSHIP

ICG is led by Dr. Donna Bell, DM, Founder & Managing Member. Her background includes two tours of military service and 20+ years directing organizational, workforce, and compliance operations across military, government, nonprofit, and corporate environments — shaping ICG's disciplined, accountable approach to contract execution.

EXECUTION APPROACH

- ICG serves as the accountable point of coordination across the contract lifecycle.
- We align partners, monitor requirements, maintain communication, and manage documentation through delivery, maintaining full traceability when appropriate.
- Our approach is designed to reduce execution gaps, strengthen accountability, and support client and prime-contractor expectations.

DIFFERENTIATORS

- Prime-led accountability for execution, documentation, and follow-through
- Doctorate-led organizational and compliance discipline
- Growing supplier and partner network
- Compliance-driven processes
- Flexible sourcing and delivery model
