

imageRUNNER ADVANCE DX C257/C357 Series

CONNECT SECURELY, TRANSFORM DIGITALLY

INNOVATIVE SCAN TECHNOLOGY AND SMART SOFTWARE WORK HAND-IN-HAND

The future of business is digital. Canon imageRUNNER ADVANCE DX is a new generation of smart multifunction devices, designed to support and accelerate every step of your digital transformation. Built with Canon's imageRUNNER ADVANCE DNA, state-of-the-art technology and software work hand-in-hand to digitise, automate and optimise content-centric workflows.

Canon's imageRUNNER ADVANCE DX C257/C357 Series offers smart and secure A4 colour multifunction devices, maximising efficiency and providing 360° security for documents, devices and networks. A compact design delivers space-saving office flexibility and configurations without compromising on Canon's unique scanning technologies, which increase scan speed and accuracy for high-quality image processing. Native uniFLOW Online Express (uFOE) software harnesses the power of the cloud to centralise device management and enable cloud collaboration on documents.

Canon uniFLOW Online
Outstanding Cloud Output Management Solution

New to the Line

Canon

imageRUNNER ADVANCE DX C257/C357 Series

CLOUD CONNECTIVITY

- Scan and print documents from any location with enhanced cloud connectivity, offered with re-usable print formats for ease of use
- Cloud-based software-as-standard uniFLOW Online Express offers a single integrated solution to device security and simplify print management
- Canon's MEAP platform optimises processes by integrating with document capture and output management solutions and various applications such as uniFLOW Online**, AirPrint, Universal Print, Mopria, Google Cloud Print and Canon PRINT Business

SECURITY

- Ensure information confidentiality and security across the network with IPsec and firewall functionality
- Set up device authentication, two-factor authentication and device function restrictions for both device and cloud-based security measures
- Encrypted PDF scanning ensures document security during scanning process

PRODUCTIVITY

- Upgrade to uniFLOW Online** for enhanced secure printing, mobile printing, and guest printing from any device
- Combination of Verify system at start up and McAfee Embedded Control Software ensures device functionality is never compromised by the tampering of firmware and applications, all in real-time
- Fast, high-quality scanning at 190 ipm (A4) with expansive connectivity options
- Automated scan, store and search workflows boost efficiency and reduce human error
- Device management tools such as iWEMC provide centralised control over the device fleet and print management
- Automatic removal of blank pages when scanning minimises process time
- Reusable formats, automatic file names from barcode data, Office format conversions, and cloud and device OCR with IRIS enable easy handling and fast document processing

SUSTAINABILITY

- Edit print settings at device-level for accurate scan output
- Quiet operation and reduced paper hitting sounds during scanning is enabled thanks to technologies such as digital registration and a smooth ADF internal structure
- Automated and digitised processes minimise paper usage for a paperless office
- Reduce waste with high-quality scanning, including digital deskewing and advanced stain-resistant glass

COMPACT DESIGN

- Design versatility ensures seamless fit into any office size or layout, with desktop or floor-standing configuration
- No need for additional protruding attachments – security functionality, such as IC Card reader for user authentication, is built in to the ADF**
- Compact design is perfect for Human Resource departments, governmental bodies, hospitals and medical centres, legal firms and solicitors' offices, and real estate agencies.

**uniFLOW Online is available as a Device Based Cloud Subscription for Document Output and Capture Management. Based on business needs, users can upgrade to uniFLOW Online to unlock a range of advanced benefits, including: Increased security with user authentication methods. Personalised workflows to enhance productivity. Reduced wastage by releasing jobs at the device. An intuitive cloud dashboard to leverage real-time data. Greater control over access and usage to reduce print costs.

***C357P Printer model requires optional IC Card Reader unit

NOTE – Certain features are only enabled with the combination of IR ADV DX and uniFLOW Online

QUICK FACTS

- **Format:** Colour A4
- **Paper Supply Capacity (Max):** 2,300 sheets
- **Warm-up time:** 4 seconds or less
- **Finishing Capabilities:** Collate, Group, Offset*, Staple* (*only with optional Finisher)
- **Supported File Types:** PDF, EPS, TIFF, JPEG, and XPS

- **Print speed:** 25-35 ppm (A4)
- **Scan speed:** 190 ipm (A4)

- **Print Languages:** UFRII, PCL6, Adobe® PostScript 3™
- **Print Resolution:** 600 x 600 to 1,200 x 1,200 (equivalent)

- Enhanced cloud connectivity enables collaborative document access from anywhere, with re-usable formats for easy handling
- Accurate, high-speed scanning is facilitated by Canon's innovative new paper feeding mechanism and stain-resistant glass
- Efficient workflow automation means documents are intuitively scanned, searched and stored with applications including OneDrive, SharePoint, Concur and Dropbox
- McAfee Embedded Control software alongside other security features offer complete peace of mind and a 360° protection covering document, network and device
- Simplified print management is enabled with centrally-managed print settings and device usage analysis, provided through native uniFLOW Online Express (uFOE)
- Quiet ADF operation, low energy consumption and reduced emissions lower environmental impacts
- Seamlessly integrate into all-sized offices with the space-saving design choice of a desktop or floor-standing unit

TAILORED SOLUTIONS TO MEET EVERY CHALLENGE

CORE

Perform routine office operations safely and with ease, with minimum hardware, embedded software including uFOE and services offering complete device maintenance and support.

HARDWARE

SERVICES

SOFTWARE

ENHANCED

Boost performance with enhancements such as finishing options and security add-ons e.g. Data Removal Service. Choose solutions to expand cloud capabilities with uniFLOW Online including advanced scanning directly with your Google account.

BESPOKE

Choose tailored solutions for any business need by removing print management burdens. Consult with Canon experts to manage your extensive requirements, with bespoke solutions and Managed Services options.
