

Terms and Conditions of Website Use

Last Updated: June 18, 2026

By accessing all or any part of this website or using this website, its scientific publication library, and its community resources, you agree to comply with and be bound by the following terms and conditions of use. If you disagree with any part of these terms, please do not use our website.

1. Acceptable Use of the Site

You agree to use this website only for lawful purposes related to learning about, researching, or supporting the NKX6-2 community.

You must not use this website:

- In any way that breaches any applicable local, national, or international law or regulation within the United Kingdom or globally.
- To transmit, knowingly receive, upload, or download any material that contains viruses, Trojan horses, worms, time-bombs, or any other harmful programs designed to adversely affect website operations or user data.
- To spam, scrape, harvest, or systematically collect data from our Publication Library or contact forms for commercial use or automated databases.

2. Intellectual Property Rights

We are the owner or the licensee of all intellectual property rights on our website, including its branding, design layout, text, graphics, and the specific curation structure of scientific publication summaries. These works are protected by copyright laws and treaties around the world. All such rights are reserved.

- **What you can do:** You may print off copies or download extracts of any page(s) from our site for your personal reference, clinical education, or to share within your family/medical network.
- **What you cannot do:** You must not modify the paper or digital copies of any materials you have printed off or downloaded, and you must not use our curated compilations for commercial purposes without obtaining prior written permission from us.

3. Reliance on Information & Third-Party Links

The content on our website is provided for general informational, educational, and community-strengthening purposes only. It does not constitute medical advice or definitive clinical guidance. Please refer to our full Medical Disclaimer and Limitation of Liability document.

Our website contains numerous links to external medical journals, university research portals, and third-party databases within our library.

- These links are provided for your information only.
- We have no control over the contents of those external sites or resources and accept no responsibility or liability for them, or for any loss or damage that may arise from your use of them.

4. Limitation of Liability

To the extent permitted by UK law, we exclude all implied conditions, warranties, representations, or other terms that may apply to our site or any content on it.

We will not be liable to any user for any loss or damage, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, arising under or in connection with the use of, or inability to use, our site, or your reliance on any information or scientific papers displayed on our site.

5. System Security & Hacking

We do not guarantee that our site will be completely secure or free from bugs or viruses. You are responsible for configuring your own information technology, computer programs, and platform to access our site safely.

You must not attempt to gain unauthorized access to our site, the server on which our site is stored, or any server, computer, or database connected to our site. Breaching this provision constitutes a criminal offense under the **Computer Misuse Act 1990**. We will report any such breach to the relevant UK law enforcement authorities.

6. Governing Law

These Terms of Use, their subject matter, and their formation are governed by the laws of England and Wales. You and we both agree that the courts of England and Wales will have exclusive jurisdiction over any legal disputes arising from the use of this platform.
