## OTAGO HOSPICE WORTHY WINNER OF TYCAB PROMOTION

Powerbase Marketplace ran a promotion with Tycab Cables that offered the winning contractor a \$2,000 donation to the charity of their choice. Tycab as a company commit a percentage of their turnover to charitable support.

Telfer Otago customer Tansley Electrical was the winner and Karl Thom of Tansley chose the Otago Hospice to receive the prize.

Tansley have a long-standing relationship with the Hospice having been the regular electrical

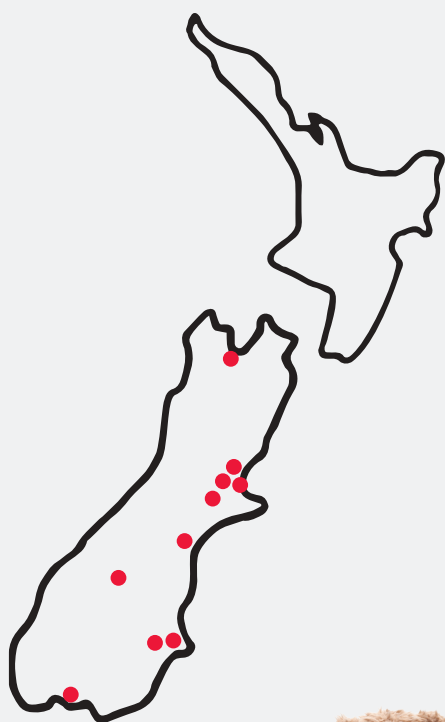

contractor for work for the hospice. To make the presentation very special, Karl bought along Paul Hannah who was the Tansley electrician on site from the construction some 30 years ago. Accepting the donation was Ginny Green, CEO of the Hospice.

It was a great result for all – a feel-good promo with practical support going to a worthy cause and which also showed the importance of long-standing relationships. Good work Tansley Electrical!

From left: Isaac Hills, Telfer Otago; Paul Hannah, Electrician; Ginny Green, CEO Otago Hospice and Karl Thom, Tansley Electrical.
