POWERING UP OUR PARTNERSHIP

Telfer Electrical partnering with Active Electrical Suppliers

We'd like to thank you for your ongoing support and share some exciting news. Telfer Electrical has partnered with Active Electrical Suppliers, who operate 28 branches across New Zealand. While both companies will continue to trade under their own names, this partnership means better nationwide service, wider product availability, and stronger technical support for our customers.

We're also excited to let you know that we'll be aligning our website and e-commerce platforms in the future.

We look forward to the opportunities this will bring and to continuing to support you.
