## JASON DOES THE HARD YARDS IN NZ'S PREMIER ENDURANCE RACE

Telfer's Nelson branch manager Jason Collett is enjoying some quiet weekends after two years of training saw him successfully complete the 2023 Coast-to-Coast. Entering the two-day individual classic event 50-59 section, Jason in his first attempt finished a very credible 20th in his category, in a time of 17:20:35 and placing 185th overall.

## THE TELFER TASTE TEAM SWINGS INTO ACTION

A team from Telfers Christchurch stepped up to the hot plates and produced the evening meal for patients and families at Ronald McDonald House, Christchurch recently. The house and its facilities is not only for patients having cancer treatment – families from around the South Island receiving all sorts of medical treatments are accommodated in comfortable modern surroundings. When cooking is the last thing on the minds of patients and families, stressed with the trauma of long days at the hospital, volunteers like the Telfer team, take over.
