Direct Cremation Service

\$2,370.00

Our charges for a Direct Cremation without any attendant rites or ceremonies will include: necessary services of staff and authorizations, (local) transportation of the remains from the place of death to the funeral home, required shelter of the remains, other preparation of the remains, required minimum alternative cremation container, required sanitary cremation pouch, transfer of remains to the crematory, receipt of cremated remains from crematory in temporary urn provided by the crematory, required Medical Examiner's Cremation Fee (\$200.00) & Rural Crematory Cremation Fee (\$385.00).

***This charge does not include other costs such as or related to clergy or cemetery costs, cremation casket options, or outer burial containers (Urn Vaults) which may be required by the cemetery, or other cash advances.

***According to the FTC Funeral Rule the family/purchaser has the right to provide the required minimum alternative cremation container or cremation casket to the Edwards Memorial Funeral Home on their own.
