

OCCONEE CHAMBER OF COMMERCE
Ribbon Cutting

Once we set a time, we will add it to our calendar and invite our partnership, Board of Directors, Ambassadors and the community to come celebrate. You can invite all of your people (family, friends, employees). We typically have 15 people from the chamber attend! Some businesses have light refreshments set out like a little sweet treat or branded water bottles, but no pressure.

About 30 minutes into the event we will gather everyone together and for a welcome, then we will turn it over to you or whoever would like to speak to share about your business. After, we will have you and your staff stand in a line outside and then have everyone else fill in behind you for the Ribbon Cutting.

We will bring the ribbon and scissors with us!

If you are part of other local chambers, we are happy to do joint Ribbon Cuttings!
