

Prophetic Word for 2026

A year for the WORD of God to connect, create & change (transform) us!

Vav (v) is the sixth letter of the Hebrew alphabet

Numerical value: 6

Meaning: 1. hook 2. the word “and” 3. in front of a word, transforms past into future or future to past

Meaning

The *vav* not only looks like a hook, the word *vav* actually means “hook.” A hook is something that holds two things together. It is also a means to connect the spiritual and the physical. “When a person is connected on high, they don’t fall down below.”

86 – Pey – Mouth Wind/Breath - The word of God will connect, create & change (transform) us!

John 1:1-5 - NLT

1 In the beginning the Word already existed. The Word was with God, and the Word was God. ² He existed in the beginning with God.
³ God created everything through him, and nothing was created except through him.
⁴ The Word gave life to everything that was created, and his life brought light to everyone. ⁵ The light shines in the darkness, and the darkness can never extinguish it.

Matthew 4:4 MSG

⁴ Jesus answered by quoting Deuteronomy: “It takes more than bread to stay alive. It takes a steady stream of words from God’s mouth.”

I have been saying this to you for years but with each year of transformation it will become progressively clearer how important it is for **MY WORD** to become the priority to you. In the years ahead many will fall away running after prophecies and a “now” word and charisma will be attached to the “now” word. Charisma & charm will accompany the “now” word and large crowds of people will promote hype around the speaker but there will be **no transformation** in the lives of the individuals

running after this kind of “now” word. This is why I am warning my remnant to stay planted no matter how hyped it may seem out there – remember the key to identifying the real is the level of transformation MY WORD is bringing to the people. People can be around the word, live with the word, be familiar with the word and still live like the world. Look at the people who surrounded Jesus in His time on earth – HE being the very word and still they did not know HIM! It is the fruit of transformation that brings us into the likeness of the Word that shows proof of intimacy with the Word!

The people that will stay connected to me through the eating, meditating and digesting the word of God through the Spirit leading will become a creative people. The Word will literally become so clear that chaos, darkness and haziness in the mind that have been there for years will begin to be pushed away, and you will think like you have never thought before. The blockages in the mind will become so clear it will create new pathways in the mind that have been covered over for years. Fortresses and strongholds will begin to break because with the entrance of the Word comes light and the light of the Word of God will penetrate the darkness. Many will begin to hate the things they once tolerated as normal and made excuses for knowing all along it was wrong – this connection to God’s Word with the entrance of light will make vision very clear and you will no longer be able to do those things anymore. The connection to my Word by the Spirit will actually call you deeper into prayer and fasting, this WORD will begin to grow a hunger deep within your souls and what will start as an entrance of light will then begin to burn like flames of fire.

This remnant I talk about is a people who no longer pat themselves on the back for praying for 15 mins but it’s a people that will press into the presence until hours have passed and you will begin to journey with Me, and in that journeying it’s as if time does not exist. – This word is not for everyone – Consecration is still a must because there is still so much flesh to work through, so much carnality to cut through, your hearts are still connected to things and people and I do not occupy the central place. It is still ME and..... don’t be discouraged though I understand the years of error that has been perpetuated into your hearts and minds leading to this state of mixture. I am a loving Father and long suffering so – as long as there is desire I will continue to call you deep into me. Remember transformation is a daily thing so as long as you are focused on transforming I will be here to bring you to the place where I hold the central place in your heart. Brokenness and humility are the

traits of my children it is actually what I look for because I cannot pour into old wineskins new wine – **MY WORD** will bring you to this place. Pride in the heart is very subtle, ego masks itself as a victim and I resist the proud and the egotistic heart. Let **MY WORD** show you these areas – Adam fell prey to this – he said to God it was the woman you gave me. Eve fell prey to this – she said it was the serpent that made me! Thereby putting them under a perpetual curse! Judas still had a chance but pride and ego caused his demise and the thief on the cross could have been in eternity that day. **My Word** will show you how to take responsibility for the actions that perpetuate a curse. Lucifer fell to this ploy of pride and Ego, and until today He still rebels against me causing many to follow him. **MY WORD** is the only way to combat this...Please take heed!!!!

2 Chronicles 7:14 NLT

¹⁴ Then if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, I will hear from heaven and will forgive their sins and restore their land.

I can never restore a land unless the hearts and ego of the people are broken and repentance takes place! So instead of praying for the land to be restored pray for the hearts of men to become broken before me!

For what is coming upon the earth if you don't know **MY WORD** for yourself – it will sweep you away in the crowd. It's in the knowing, eating, chewing, meditating on **MY WORD**, staying in humility and repentance, confessing the hidden agendas and motives of the heart that you will get greater glimpses of my Glory. I have so much in store for my people but it is in the **hearing and obeying of MY word** that all the blessings will flow. It is not my desire to withhold from you my children but if you don't desire to follow what I desire there is not much more I can do. Read my Word, open your spirit to the Holy Spirit, and on purpose ask Him to connect you to **Jesus (THE WORD)** and watch how your body soul and spirit will begin to be creative while you transform. Pray for hunger and desire first before anything else and watch what will happen! Start your prayer every day in 2026 – Lord Give me **desire and hunger for YOUR WORD (Jesus)** and see how you stay – **CONNECTED, CREATIVE, and TRANSFORMATIVE!!!!**
