RELEASE, INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

In consideration of participating in gun club or hunting activities, and for other good and valuable consideration, I hereby agree to release and discharge from liability arising from negligence MIDDLETOWN SPORTSMEN'S CLUB, INC. and its owners, directors, officers and employees, agents, volunteers, participants, and all other persons or entities acting for them (hereinafter collectively referred to as "Releasees"), on behalf of myself and my children, parents, heirs, assigns, personal representative and estate, and also agree as follows:

1. I acknowledge that gun club and hunting activities involve known and unanticipated risks which could result in physical or emotional injury, paralysis or permanent disability, death, and property damage. Risks include, but are not limited to, death or serious injury as a result of being shot or as a result of equipment malfunction; hearing loss; loss of vision; broken bones, bruises and other bodily injuries caused by falls; medical conditions resulting from physical activity, and damaged clothing or other property. I understand such risks simply cannot be eliminated, despite the use of safety procedures and safety equipment, without jeopardizing the essential qualities of the activity.

2. I expressly accept and assume all the risks inherent in this activity or that might have been caused by the negligence of the Releasees. My participation in this activity is purely voluntary and I elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I am unable to participate due to physical or medical conditions, then I will immediately discontinue participation.

I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Releasees from all claims, demands, or causes of action which are in any way connected with my participation in this activity, or my use of their equipment or facilities, arising from negligence. This release does not apply to claims arising from intentional conduct. Should Releasees or anyone acting on their behalf be required to incur

attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

I represent that I have adequate insurance to cover any injury or damage I may suffer or cause while participating in this activity, or else I agree to bear the costs of such injury or damage myself. I further represent that I have no medical or physical condition which could interfere with my safety in this activity, or else I am willing to assume and bear the consequences of all risks that may be created, directly or indirectly, by any such condition.

If I file a lawsuit, I agree to do so solely in the state where Releasees' facility is located, and I further agree that the substantive law of that state shall apply.

I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

I agree that if I am hurt or my property is damaged during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.

I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to accepting the terms of this document. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to accept this release and agree that the opportunity to participate at the stated cost in return for the acceptance of its release is a reasonable bargain. **I have read and understood this document and I agree to be bound by its terms.**
