Welcome! Friendship Church is a place that loves, lives and serves like Jesus. Jesus is our focus! This is more than a motto, it is our desire and transforms our lives. As you engage at Friendship Church, you will find a variety of events and programs but you will notice that we are not event and program driven. We love people, and we see events and programs as opportunities to learn, grow and encourage one another to be disciples of Jesus.

Another unique part of Friendship Church is that we are two campuses (Shakopee and Prior Lake) but one church (Friendship Church). This means that you will see staff members on both campuses, and you may get to know people on both campuses. This is purposeful and needed. We want people throughout Scott County to know the LORD. Having two campuses in Scott County better helps us to reach people in different places and in different ways. No matter if you are at Shakopee or at Prior Lake, we hope you find a home at Friendship as you join us to better love, live and serve like Jesus!

In Him,
The Leadership Team

ADULTS

LIFEGROUPS

LifeGroups are an opportunity to participate in community and relationships that go deeper than Sunday mornings. Praying with a few people in a LifeGroup allows for our prayers to be more personal than they can be with hundreds on a Sunday morning. LifeGroups are places where we can care for each other in ways that are personal and ongoing. As we study God's Word in the small setting of LifeGroups, we can apply Scripture in ways that are personal and encourage one another as we seek to live out God's desires.

We feel the best way to get to know people at Friendship Church is through joining a LifeGroup. There are groups of all ages, young adults on up, women's groups, men's groups, couples groups, and more.

For more information: friendshipmn.org/lifegroups

Being a man means living with character, resolve and strength in a way that shapes and impacts the world for the Kingdom of God. MARRIAGE MENTORING

At Friendship Church, we care about marriages. We strongly believe Christian marriages should thrive and we want to help. Whether you are looking for marriage preparation, enrichment or a complete overhaul, consider meeting with our marriage mentors. We have many mature and committed couples trained to facilitate a hands-on method of mediation, validation, and negotiation which will assist you and your spouse with learning how to solve your issues together in a very firm and loving way.

SAVING YOUR MARRIAGE BEFORE IT STARTS

Are you an engaged couple or know that you soon will be? Preparing for a strong and passionate marriage is one of the most important things you'll ever do. More than a million couples have used the award-winning Saving Your Marriage Before It Starts (SYMBIS), and through the SYMBIS Assessment we can help you prepare for lifelong love like never before.

GRIEFSHARE

If you have lost a spouse, child, family member or friend, you've probably found there are not many people who understand the deep hurt. GriefShare is a 13-week biblical, Christ-centered support ministry, facilitated by people who understand what you are experiencing and want to offer you comfort and encouragement during this difficult time.

PASTORAL CARE

If you need to talk to a pastor or would like to arrange a visit from a pastor, please email Pastor Art Hansen at arth@friendshipmn.org or call 952-447-0542. After hours, please call the church office at 952-447-8282 for instructions on how to reach the pastor on call.

WORSHIP

The Worship Ministry at Friendship Church is a collective of people serving in a variety of ways, seen and unseen, all to the glory of God. Anything that we do, whether on or off the platform, is not for our own sake, but for the sake of our community so that all would be drawn closer to the rightful view of who God is, develop a deeper personal relationship with Jesus Christ, and allow His Holy Spirit to lead in our everyday lives.

VISION

Love, live and serve like Jesus...by leading in true, God-centered worship.

MISSIONS

At Friendship Church we believe that God gave us the mission to be his witness, not only in our community but to people all around the world.

To help accomplish this mission we support over 40 missionaries who are seeking to reach unreached and underreached people with the message of Jesus. Every time you contribute to Friendship Church a portion of that gift goes to support these missionaries and the work they are doing around the world.

Friendship Church also sponsors short-term missions trips for students and adults to support what God is doing through these missionaries and ministries. Over the last few years, we have had sponsored trips to Czech Republic, Columbia/Venezuela, Honduras, Chicago, Wisconsin and more.

This coming year there will be short term trips in the United States and overseas. Keep watching for date announcements for our spring and summer trips.

We support **40**
missionaries in over
30 locations
around the globe.

VISION 2035

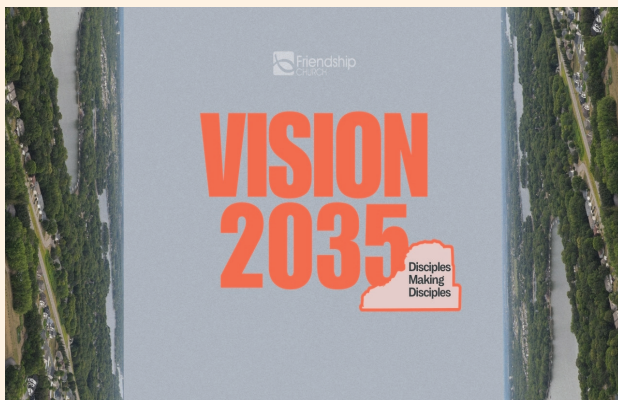

In 1978, God placed a dream in the hearts of a small group of people from Prior Lake to offer the soul saving, living water of Jesus to their friends and neighbors. Over the years, Friendship Church has built a long-standing reputation as a pioneering church, unafraid to take faith-filled kingdom risks for the sake of getting the message of salvation through Jesus to those who need it. This led us to open a second campus in Shakopee so that we could see more disciples made in Scott County and the surrounding area.

Currently, as the metro area spreads, young families are flocking “South of the River” in search of the good life. They are buying homes, filling schedules, and chasing experiences—yet beneath it all, many are silently suffering from soul thirst that none of their pursuits can satisfy. These people are not going to be invited into discipleship by churches that are primarily focused on attracting people through a menu of church programs and a Sunday morning experience. A transformational awakening to the gospel across Scott County and the surrounding area will only become a reality through a movement of people committed to going out to make disciples of Jesus, inviting them into relationship with Him.

By 2035, we imagine a network of disciple-makers that have invited each person in Scott County and the surrounding area into discipleship with Jesus.

We envision a growing network of disciple makers that has **150 missional communities**. It is our hope that these mission-minded small groups are investing throughout the area to deliver the goodness of the gospel to every home, school, workplace, and sports field where our people live, learn, work, and play. We envision **four campuses, with a fifth campus** on the way, to extend the reach of our discipleship around Scott County. We hope to adopt **eight schools**, where we have formed partnerships with those who are already offering living water. We will pour our time, talents, and treasure into prayer, support, and encouragement for those already making disciples in those schools, and we aim to work alongside them to bring the message of Jesus.

Could it be possible...that a church started with a few people seeking to offer the living water of Jesus in Scott County...grows to see this entire region transformed by the power of the Gospel.

Matthew 28:18-20 - And Jesus came and said to them, “All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”

We invite you to prayerfully consider joining Friendship Church as a vision owner in support of Vision 2035.
