WEEKLY REPORT

Sept. 6th, 2026

Your Invited,

Linda Tromley, because of her health issues over the last year has been moved into "The Goldton at St. Petersburg" - 6775 40th Ave. N. 33709. There she is able to receive the everyday care she is in need of. She is in the Memory Care Unit which is a locked area, but there is a doorbell and someone to let you in. She would love to have some visitors, she still speaks warmly of her church family and a visit would go a long way to making her day.

If you have any questions or need more info you can call her daughter
