

CHIP & OATIS GRANOLA BARS

INFORMATION & CARE GUIDE

ABOUT

Chip and Oatis are the perfect duo or great on their own for any Sunbelt Bakery event. Volunteer(s) must be at least 5'6" to wear the costume(s). The costumes are shaped as rectangles and must be worn by someone who can wear straps on shoulders.

CLEANING

Once the volunteer inside of the mascot costume is finished, please spray the inside with a 25% water and 75% rubbing alcohol solution. If you do not have this, please let us know when returning. We will handle a deep cleaning as well as spot treatments upon the mascot's return.

DO NOT spray with Febreze or other scented odor removal.

DO NOT use heat on the costume.

DO NOT spray the outside of the costumes with the rubbing alcohol and water solution.

ATTIRE

Dress comfy in leggings and a white short sleeve shirt underneath the mascot costume.

SHOES

We suggest running shoes inside of the mascot's feet.

PRO TIP

To stay cool, wear a cooling vest. We suggest 30-45 minutes at a time.

STORING & RETURNING

Please make sure to keep the mascot body and shoes separate from each other, or however they arrive. Please make sure to return the mascot the same way it arrived.
